#### **Partner Vetting in USAID Assistance; Correction**

**AGENCY:** Agency for International Development.

**ACTION:** Notice of proposed rulemaking; correction.

**SUMMARY:** USAID is allowing an additional 15 days to provide comments on its proposed Partner Vetting in USAID Assistance Rule. There was a technical error in the email address, provided in the Notice of Proposed Rulemaking that was published in the **Federal Register** on August 29, 2013, for receipt of public comments on the proposed rule. The technical error in the email address prevented comments that were submitted through that email address from being reviewable by USAID. As a result, USAID, with the approval of the Office of Management and Budget, is issuing a correction notice allowing public comment on the proposed rulemaking for an additional 15 days. The proposed rulemaking is unchanged from the original publication in August 2013 and amends the regulation governing the administration of USAID-funded assistance awards to implement a Partner Vetting System (PVS).
