

DEPARTMENT OF THE INTERIOR**Bureau of Indian Affairs****Land Acquisitions; Cherokee Nation of Oklahoma**

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Notice of final agency determination to take land into trust under 25 CFR part 151.

SUMMARY: The Associate Deputy Secretary made a final agency determination to acquire approximately 3.519 acres of land into trust for the Cherokee Nation of Oklahoma on February 9, 2007. This notice is published in the exercise of authority delegated by the Secretary of the Interior to the Principal Deputy Assistant Secretary—Indian Affairs by 209 Departmental Manual 8.

FOR FURTHER INFORMATION CONTACT: George Skibine, Office of Indian Gaming, 1849 C Street, NW., Mail Stop 3657—MIB, Washington, DC 20240; Telephone (202) 219-4066.

SUPPLEMENTARY INFORMATION: This notice is published to comply with the requirement of 25 CFR part 151.12(b) that notice be given to the public of the Secretary's decision to acquire land in trust at least 30 days prior to signatory acceptance of the land into trust. The purpose of the 30-day waiting period in 25 CFR part 151.12(b) is to afford interested parties the opportunity to seek judicial review of final administrative decisions to take land in trust for Indian tribes and individual Indians before transfer of title to the property occurs. On February 9, 2007, the Associate Deputy Secretary decided to accept approximately 3.519 acres of land into trust for the Cherokee Nation of Oklahoma under the authority of the Indian Reorganization Act of 1934, 25 U.S.C. 465. The 3.519 parcel is located within the former reservation boundaries of the Cherokee Nation near the City of Roland, Sequoyah County, Oklahoma. The parcel will be used as additional parking for the Cherokee Casino facility.

The 3.519 acre parcel is located near the City of Roland, Sequoyah County, Oklahoma is described as follows:

Part of the SW ¼ SW ¼ of Section 23, Township 11 North, Range 26 East, Sequoyah County, Oklahoma, being more particularly described as follows:

Commencing at the Southwest corner of the N ½ SW ¼ SW ¼ of said Section 23; thence East along the South line of N ½ SW ¼ SW ¼ of, 660.00 feet; thence North 00°52'00" East 454.22 feet to the North line of the SW ¼ SW ¼; thence South 89°45'59" East along said North line, 334.64 feet; thence

South 452.78 feet; thence South 89°59'47" West 341.52 feet to the Point of Beginning, containing 3.519 acres, more or less, Less and Except minerals.

Dated: February 9, 2007.

Michael D. Olsen,

Principal Deputy Assistant Secretary—Indian Affairs.

DEPARTMENT OF THE INTERIOR**National Park Service****Draft General Management Plan and Environmental Impact Statement for Pipestone National Monument, Minnesota; Notice of Availability**

AGENCY: National Park Service, Department of the Interior.

ACTION: Notice.

SUMMARY: Pursuant to section 102(2)(C) of the National Environmental Policy Act of 1969, the National Park Service announces the availability of the draft General Management Plan and Environmental Impact Statement (GMP/EIS) for Pipestone National Monument.

DATES: The GMP/EIS will remain available for public review for 60 days following the publishing of the notice of availability in the **Federal Register** by the Environmental Protection Agency. Public meetings will be held in the cities of Pierre and Yankton, South Dakota, and Marshall and Pipestone, Minnesota. Meeting places and times will be announced through the local media and on the park Web site at: <http://www.nps.gov.gov/pipe>.

ADDRESSES: Copies of the GMP/EIS are available by request by writing to the Superintendent at Pipestone National Monument, 36 Reservation Avenue, Pipestone, MN 56164. The document is also available to be reviewed in person at the park. Finally, the document can be found at the following Web site: <http://parkplanning.nps.gov/>. This Web site allows the public to review and comment directly on this document.

FOR FURTHER INFORMATION CONTACT: Superintendent, Pipestone National Monument, 36 Reservation Avenue, Pipestone, MN 56164.

SUPPLEMENTARY INFORMATION: Pipestone National Monument offers an opportunity to explore American Indian culture and the natural resources of the tallgrass prairie. Established by Congress in 1937 to protect the historic pipestone quarries, the site is considered sacred by many American Indians. Spanning centuries of use, American Indians continue to quarry

pipestone, which they carve into sacred pipes.

The GMP/EIS analyzes the impacts of a no-action and three action alternatives. The no-action alternative describes the existing conditions and trends of park management and serves as a basis for comparison in evaluating the other alternatives. The focus of alternative one is the removal of development from the heart of the national monument. Alternative two focuses on updating the existing facilities and increasing the interpretive emphasis on quarrying. Alternative three was developed to meld the most advantageous features of the other two action alternatives by removing some park operations from the national monument and updating existing facilities.

Persons wishing to comment may do so by any one of several methods. They may attend the public hearing or open houses noted above. They may mail comments directly to Pipestone National Monument. They also may comment via the Web site at <http://parkplanning.nps.gov/>. Finally, they may hand-deliver comments to the Pipestone National Monument in Pipestone, Minnesota.

Before including your address, telephone number, e-mail address, or other personal identifying information in your comments please be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comments to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. We will make all submissions from organizations or businesses and from individuals identifying themselves as representatives or officials or organizations or businesses available for public inspection in their entirety.

The responsible official is Ernest Quintana, Regional Director, Midwest Region.

Dated: November 29, 2006.

David N. Given,

Acting Regional Director, Midwest Region.

DEPARTMENT OF THE INTERIOR**Bureau of Reclamation**

**Information Collection Activities;
Proposed Information Collection;
Comment Request**

AGENCY: Bureau of Reclamation,
Interior.

ACTION: Notice and request for
comments.

SUMMARY: In accordance with the
Paperwork Reduction Act of 1995 (44
U.S.C. 3501 *et seq.*), this notice
announces that the Bureau of
Reclamation (we, our, or us) intends to
seek approval of the following proposed
new information collection: Recreation
Visitor Use Surveys. We will use several
distinct forms to collect different types
of recreation information. Before
submitting the information collection
request to the Office of Management and
Budget (OMB) for approval, we are
soliciting comments on specific aspects
of the information collection.

DATES: Comments on this notice must be
received by May 4, 2007.

ADDRESSES: Address all comments
concerning this notice to Bureau of
Reclamation, Office of Program and
Policy Services, Attention: Darrell
Welch (84-53000), PO Box 25007,
Denver CO 80225-0007 or via e-mail at
dwelch@do.usbr.gov.

FOR FURTHER INFORMATION CONTACT: For
further information or a copy of the
proposed collection of information
forms, contact Darrell Welch at 303-
445-2711.

SUPPLEMENTARY INFORMATION: We are
requesting approval for the collection of
data from recreational users of our
lands, rivers, and reservoirs. To meet
our needs for the collection of visitor
use data, we will be requesting OMB to
authorize a two-part request. The first
part of the request provides us with a set
of 11 pre-approved questionnaires to be
administered as approved by OMB.

The second part of the request
consists of OMB and the Bureau of
Reclamation agreeing upon a process
whereby we custom design a survey
instrument to fit a specific situation or
area. The custom designed survey
would be created by extracting
questions from the approved
questionnaires as applicable to the area

and issue being evaluated. Only
questions included in the pre-approved
questionnaires will be used. We will
then submit the new survey form to
OMB for expedited approval.

Title: Recreation Visitor Use Surveys.

Abstract: The Bureau of Reclamation
is responsible for recreation
development at all of its reservoirs.
Presently there are 300 designated
recreation areas on our lands within the
17 Western States hosting almost 90
million visitors annually. Visitation to
our reservoirs is increasing at an average
rate of 1.2 million visitors per year, and
more than 100 million people are
projected to visit our reservoirs by the
early twenty-first century. We must be
able to respond to emerging trends,
changes in the demographic profile of
users, changing values, needs, wants,
and desires, and conflicts between user
groups. Statistically valid and up-to-
date data derived from the user is
essential to developing and providing
recreation programs relevant to today's
visitor.

Respondents: Respondents to the
surveys will be members of the public
engaged in recreational activities on our
lands. Several surveys target people
engaged in specific activities such as
boating on a specific lake, or people
camping at a developed campground.
Visitors will primarily consist of local
residents, people from large
metropolitan areas in the vicinity of the
lake/reservoir, and visitors from out of
state.

Frequency: Varies by survey.

Estimated Total Number of

Respondents: 7,350.

*Estimated Number of Responses per
Respondent:* 1.0.

Estimated Total of Annual Responses:
7,350.

*Estimated Total Annual Burden
Hours on Respondents:* 2,013.
