Loan Program. This form is used by small U.S. businesses with limited export experience. This program relies to a large extent on the exporter's qualifying score on the FICO (Fair Isaac Corporation) SBSS (Small Business Scoring Service). Therefore the financial and credit information needs are minimized. This is a request to renew an existing form. The only change is to enhance a question about company ownership so as to improve the quality of information derived from the question.

The form can be viewed at: *http://www.exim.gov/pub/pending/EIB11–08-Final.pdf.*
