SECURITIES AND EXCHANGE COMMISSION**Proposed Collection; Comment Request***Upon Written Request Copies Available*

From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Rule 477. OMB Control No. 3235-0550, SEC File No. 270-493.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 477 (17 CFR 230.477) under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) sets forth procedures for withdrawing a registration statement, including any amendments or exhibits to the registration statement. The rule provides that if an issuer intends to rely on the safe harbor contained in Securities Act Rule 155 to conduct an unregistered private offering of securities, the issuer must affirmatively state in the withdrawal application that it plans to undertake a subsequent private offering of its securities. Without this statement, the Commission would not be able to monitor a company's reliance on, and compliance with, Securities Act Rule 155(c). We estimate that approximately 300 issuers will file Securities Act Rule 477 submissions annually at an estimated one hour per response for a total annual burden of approximately 300 hours.

Written comments are invited on: (a) Whether this proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given

to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Please direct your written comments to Thomas Bayer, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 6432 General Green Way, Alexandria, VA 22312; or send an email to: PRA_Mailbox@sec.gov.

Dated: May 14, 2013.

Deputy Secretary.

Rule 155. OMB Control No. 3235-0549, SEC File No. 270-492.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 155 (17 CFR 230.155) under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) provides safe harbors for a registered offering of securities following an abandoned private offering, or a private offering following an abandoned registered offering, without integrating the registered and private offerings in either case. In connection with a registered offering following an abandoned private offering, Rule 155 requires an issuer to include in any prospectus filed as a part of a registration statement disclosure regarding the abandoned the private offering. Similarly, the rule requires an issuer to provide each offeree in a private offering following an abandoned registered offering with: (1) Information concerning the withdrawal of the registration statement; (2) the fact that

the private offering is unregistered; and (3) the legal implications of the offering's unregistered status. We estimate Rule 155 takes approximately 4 hours per response to prepare and is filed by 600 respondents annually. We estimate that 50% of the 4 hours per response (2 hours per response) is prepared by the filer for a total annual reporting burden of 1,200 hours (2 hours per response × 600 responses).

Written comments are invited on: (a) Whether this proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

SECURITIES AND EXCHANGE COMMISSION**Proposed Collection; Comment Request***Upon Written Request, Copies Available*

From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Form N-SAR. OMB Control No. 3235-0330, SEC File No. 270-292.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") is soliciting comments

on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Form N-SAR (OMB Control No. 3235-0330, 17 CFR 249.330) is the form used by all registered investment companies with the exception of face amount certificate companies, to comply with the periodic filing and disclosure requirements imposed by Section 30 of the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) ("Investment Company Act"), and of rules 30a-1 and 30b1-1 thereunder (17 CFR 270.30a-1 and 17 CFR 270.30b1-1). The information required to be filed with the Commission assures the public availability of the information and permits verification of compliance with Investment Company Act requirements. Registered unit investment trusts are required to provide this information on an annual report filed with the Commission on Form N-SAR pursuant to rule 30a-1 under the Investment Company Act, and registered management investment companies must submit the required information on a semi-annual report on Form N-SAR pursuant to rule 30b1-1 under the Investment Company Act.

The Commission estimates that the total number of respondents is 3,270 and the total annual number of responses is 5,770 ((2,500 management investment company respondents x 2 responses per year) + (770 unit investment trust respondents x 1 response per year)). The Commission estimates that each registrant filing a report on Form N-SAR would spend, on average, approximately 14.25 hours in preparing and filing reports on Form N-SAR and that the total hour burden for all filings on Form N-SAR would be 82,223 hours.

The collection of information under Form N-SAR is mandatory. Responses to the collection of information will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid control number.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of

information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Thomas Bayer, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 6432 General Green Way, Alexandria, VA 22312; or send an email to: PRA_Mailbox@sec.gov.
