

Register on October 15, 2003.⁴ The Commission received no comments on the proposal.

The Commission finds that the proposed rule change, as amended, is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange⁵ and, in particular, the requirements of section 6 of the Act⁶ and the rules and regulations thereunder. In particular, the Commission believes that the proposed rule change is consistent with section 6(b)(5)⁷ of the Act because it should enable the Exchange to accommodate customers that seek immediate execution or cancel orders.

It is therefore ORDERED, pursuant to section 19(b)(2) of the Act,⁸ that the proposed rule change (SR-BSE-2003-08), as amended, be, and it hereby is, approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁹

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-49107; File No. SR-CBOE-2003-37]

Self-Regulatory Organizations; Order Approving Proposed Rule Change and Amendment No. 1 Thereto by the Chicago Board Options Exchange, Inc. Relating to the Appointment of the Members and Chairman of Its Governance Committee

January 20, 2004.

On September 5, 2003, the Chicago Board Options Exchange, Inc. ("CBOE" or "Exchange") submitted to the Securities and Exchange Commission ("Commission"), pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² a proposed rule change that would give the Chairman of the Board of Directors ("Board") the authority to appoint the members and

chairman of CBOE's Governance Committee. CBOE submitted Amendment No. 1 to the proposed rule change by facsimile on November 6, 2003.³ The proposed rule change was published for comment in the **Federal Register** on November 18, 2003.⁴ The Commission received no comments on the proposal.

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange.⁵ In particular, the Commission believes that the proposed rule change is consistent with section 6(b)(5) of the Act,⁶ which requires, among other things, that CBOE's rules be designed to promote just and equitable principles of trade and, in general, to protect investors and the public interest. The Commission notes that the proposed rule change makes the appointment process for the Governance Committee consistent with the process currently in place for other standing committees of the Board, and also eliminates a redundancy between the Exchange's Constitution and its rules with respect to the appointment process for the Audit and Compensation Committees.

It is therefore ordered, pursuant to section 19(b)(2) of the Act,⁷ that the proposed rule change, as amended (SR-CBOE-2003-37) be, and it hereby is, approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁸

Deputy Secretary.

[5010. NASDAQ Application of the PRIMEX AUCTION SYSTEM™

5011. Definitions

For purposes of this Rule Series, unless the context requires otherwise:

(a) "Application" or "Nasdaq Application" as used in this Rule Series, and "Nasdaq Application of the Primex Auction System" as used throughout the NASD Rules means the voluntary Nasdaq trading service facility that permits NASD member firms, among other things, to submit orders in Primex Eligible Securities to be exposed to a Crowd of Participants in an electronic auction format for the purpose of obtaining an execution for their own account or the account of a customer; to have required reports of any resulting trades automatically disseminated to the public and the industry; and to "lock in" these trades as necessary by sending both sides to the applicable clearing agency designated by the Participants involved for clearance and settlement, all in accordance with this Rule Series and other applicable rules and policies of Nasdaq.

(b) "Primex Auction System Participant," "Participant," or "Participant Firm" means a broker-dealer registered with the NASD that, when authorized, can access and participate in the Application for its customers or its own account, consistent with this Rule Series. Participants access the Application through one or more Subscribers associated with that Participant within the Application.

(c) "Subscriber" means a user associated with a Participant who, when authorized, can access and participate in the Application on behalf of that Participant, consistent with this Rule Series. A user also can access and participate directly in the Application on its own behalf, but in the name of a Participant, subject to a sponsored arrangement with that Participant, and consistent with these Rules.

(d) "Firm Administrator" means a Subscriber who, for a particular Participant, is authorized among other things to: (1) Monitor and control access to and participation in the Application by all of that Participant's Subscribers, including establishing Credit Limits for each of the Participant's Subscribers who access and participate in the Application on behalf of or in the name of

that Participant; and (2) view the status of the Clearing Limits applicable to the Participant overall.

(e) "Nasdaq Supervisor" means the Nasdaq staff responsible for establishing and supervising certain operational functions with respect to the operation of the Application.

(f) "Credit Limits" means the dollar amount of aggregated purchases or sales established within the Application by a Participant's Firm Administrator for each of the Participant's Subscribers which, when reached, causes the Application to: (1) Inhibit any future executions or the entry of future interest for that Subscriber; (2) cancel any orders and withdraw any Indications resident within the Application for that Subscriber; and (3) send a notice to that Subscriber, its Firm Administrator, and the Nasdaq Supervisor. Credit Limits may be established, monitored, and modified by the Firm Administrator on a real-time basis directly through the Application.

(g) "Clearing Limits" means the dollar amount of aggregated purchases and sales (calculated separately and not netted) of all Subscribers, collectively for a Participant, effected through or in the name of that Participant, that is established within the Application for that Participant, which, when reached, causes the Application to: (1) Inhibit any future executions for all Subscribers associated with that Participant; (2) cancel any orders and withdraw any Indications resident within the Application for all Subscribers associated with that Participant; and (3) send a notice to that Participant's Firm Administrator, the Nasdaq Supervisor, and to the clearing broker for that Participant provided that the clearing broker also is a Participant. If the clearing broker is not a Participant in the Application, then the Nasdaq Supervisor will notify the clearing broker that the Clearing Limits have been reached as soon as practicable. Clearing Limits for a Participant may be monitored on a real-time basis by the Participant's Firm Administrator and can be established, monitored, and modified by the Firm Administrator of the Participant's clearing broker, provided the clearing broker also is a Participant. Clearing Limits also can be established and modified by the Nasdaq Supervisor on behalf of the clearing broker.

(h) "Crowd," "Primex Crowd" or "Crowd Participant" means Primex Auction System Participants that, when authorized, can access and participate in the Application consistent with this Rule Series by: (1) Submitting orders to be exposed to other Participants; (2)
