

alternatives. Mitigation may include avoidance, minimization, rectification, reduction or elimination over time, and compensation; and may be considered at multiple scales, including the landscape scale.

The BLM and FWS will utilize and coordinate the NEPA process to help support compliance with applicable procedural requirements under the ESA (16 U.S.C. 1536). BLM will also use the NEPA process to comply with Section 106 of the NHPA (54 U.S.C. 306108) as provided in 36 CFR 800.2(d)(3), including the public involvement requirements of Section 106. Information about historic and cultural resources within the area potentially affected by the proposed project will assist the BLM in identifying and evaluating impacts to such resources. The BLM will also consult on cultural resources and create a Memorandum of Agreement with consulting parties.

The BLM and FWS will consult with Indian Tribal Nations on a government-to-government basis in accordance with Executive Order 13175, BLM Manual Section 1780, and other Departmental policies. Tribal concerns, including impacts on Indian trust assets and potential impacts to cultural resources, will be given due consideration. Federal, State, and local agencies, along with Indian Tribal Nations and other stakeholders that may be interested in or affected by the proposed action the BLM and the FWS are evaluating, are invited to participate in the scoping process and, if eligible, may request or be requested by the BLM and FWS to participate in the development of the environmental analysis as a cooperating agency.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can include in your comment a request to withhold your personal identifying information from public review, the agencies cannot guarantee that they will be able to do so.

Public Land Order No. 7934; Extension of Public Land Order No. 7591; Withdrawal for Federal Law Enforcement Training Center, New Mexico

AGENCY: Bureau of Land Management, Interior.

ACTION: Public land order.

SUMMARY: This order extends the duration of the withdrawal created by Public Land Order (PLO) No. 7591 for an additional 20-year term. PLO No. 7591 withdrew 1,920.80 acres of public lands from location and entry under the United States mining laws, but not from leasing under the mineral leasing laws, and reserved the lands for the Department of Homeland Security (DHS) to protect, maintain, and operate its Federal Law Enforcement Training Center (FLETC) in Eddy County, New Mexico.

DATES: This PLO takes effect on November 19, 2023.

FOR FURTHER INFORMATION CONTACT: Tammie Hochstein, BLM Carlsbad Field Office Realty Specialist, by email at thochste@blm.gov, or (575) 234–5902. Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or Tele Braille) to access telecommunications relay services. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States.

SUPPLEMENTARY INFORMATION: The purpose of the withdrawal extended by this order is for the continued protection of the FLETC and to allow the DHS to continue operations without interference or any potential adverse impacts of mineral development.

Order

By virtue of the authority vested in the Secretary of the Interior by Section 204 of the Federal Land Policy and Management Act of 1976, 43 U.S.C. 1714, it is ordered as follows:

1. Subject to valid existing rights, PLO No. 7591 (68 FR 65471, November 20, 2003), which withdrew 1,920.80 acres of public lands from location and entry under the United States mining laws for the Department of Homeland Security to protect, operate, and maintain its Federal Law Enforcement Training

Center, is hereby extended for an additional 20-year period.

2. This withdrawal will expire 20 years from the effective date of this order unless, as a result of a review conducted prior to the expiration date pursuant to Section 204(f) of the Federal Land Policy and Management Act, 43 U.S.C. 1714(f), the Secretary determines that the withdrawal shall be further extended.
