(c) *Special local regulations.* (1) The COTP Maryland-National Capital Region or PATCOM may forbid and control the movement of all vessels and persons, including event participants, in the regulated area. When hailed or signaled by an official patrol, a vessel or person in the regulated area shall immediately comply with the directions given by the patrol. Failure to do so may result in the Coast Guard expelling the person or vessel from the area, issuing a citation for failure to comply, or both. The COTP Maryland-National Capital Region or PATCOM may terminate the event, or a participant's operations at any time the COTP Maryland-National Capital Region or PATCOM believes it necessary to do so for the protection of life or property.

(2) Except for participants and vessels already at berth, a person or vessel within the regulated area at the start of enforcement of this section must immediately depart the regulated area.

(3) A spectator must contact the PATCOM to request permission to either enter or pass through the regulated area. The PATCOM, and official patrol vessels enforcing this regulated area, can be contacted on marine band radio VHF-FM channel 16 (156.8 MHz) and channel 22A (157.1 MHz). If permission is granted, the spectator may enter the designated Spectator Area or must pass directly through the regulated area as instructed by PATCOM. A vessel within the regulated area must operate at safe speed that minimizes wake. A spectator vessel must not loiter within the navigable channel while within the regulated area.

(4) A person or vessel that desires to transit, moor, or anchor within the regulated area must first obtain authorization from the COTP Maryland-National Capital Region or PATCOM. A person or vessel seeking such permission can contact the COTP Maryland-National Capital Region at telephone number 410-576-2693 or on Marine Band Radio, VHF-FM channel 16 (156.8 MHz) or the PATCOM on Marine Band Radio, VHF-FM channel 16 (156.8 MHz).

(5) The Coast Guard will publish a notice in the Fifth Coast Guard District Local Notice to Mariners and issue a marine information broadcast on VHF-FM marine band radio announcing specific event date and times.

(d) *Enforcement officials.* The Coast Guard may be assisted with marine event patrol and enforcement of the regulated area by other Federal, State, and local agencies.

(e) *Enforcement periods.* This section will be enforced from 9:30 a.m. to 6:30 p.m. on July 27, 2019, and, from 9:30 a.m. to 6:30 p.m. on July 28, 2019.

Dated: June 21, 2019.

RIN 1625-AA08; AA00

Special Local Regulations and Safety Zones; Recurring Marine Events and Fireworks Displays and Swim Events Held in the Coast Guard Sector Northern New England Captain of the Port Zone

AGENCY: Coast Guard, DHS.

ACTION: Final rule.

SUMMARY: The Coast Guard is adding, deleting, and modifying the special local regulations for annual recurring marine events, safety zones for firework displays, and swim events in the Coast Guard Sector Northern New England Captain of the Port Zone. When enforced, these special local regulations and safety zones will restrict vessels from transiting regulated areas during certain annually recurring events. The special local regulations and safety zones are intended to expedite public notification and ensure the protection of the maritime public and event participants from the hazards associated with certain marine events.

DATES: This rule is effective without actual notice from June 28, 2019. For the purposes of enforcement, actual notice will be used from June 14, 2019 through June 28, 2019.

II. Background, Purpose, and Legal Basis

Swim events, fireworks displays, and marine events are held on an annual recurring basis on the navigable waters within the Coast Guard Sector Northern New England Captain of the Port (COTP) Zone. The Coast Guard has established special local regulations and safety zones for some of these annual recurring events on a case by case basis to ensure the protection of the maritime public and event participants from potential hazards. In the past, the Coast Guard has not received public comments or concerns regarding the impact to waterway traffic from regulations associated with these annually recurring events. Events were either added or deleted to the table of annual events based on their likelihood to recur in subsequent years. Additionally, minor changes to existing events such as position, date, or title, were made to ensure the accuracy of event details.

On May 09, 2019 the Coast Guard published a notice of proposed rulemaking (NPRM) titled Special Local Regulations and Safety Zones; Recurring Marine Events and Fireworks Displays and Swim Events Held in the Coast Guard Sector Northern New England Captain of the Port Zone (84 FR 20307). There we stated why we issued the NPRM, and invited comments on our proposed regulatory action. During the comment period that ended on June 10, 2019, we received no comments.

We are issuing this rule under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making it effective less than 30 days after publication in the **Federal Register**. The comment period for the NPRM associated with the Special Local Regulations and Safety Zones; Recurring Marine Events and Fireworks Displays and Swim Events held in the Coast Guard Sector Northern New England Captain of the Port Zone expired on June 10, 2019. The first events are scheduled to occur June 15, 2019. Thus, there is now insufficient time for a 30-

day effective period before the need to enforce safety zones and special local regulations that begin on June 15, 2019. Delaying the enforcement of this safety zone and special local regulations to allow a 30-day effective period will be impractical and contrary to the public interest because it would inhibit the Coast Guard's ability to fulfill its mission to keep the maritime public, ports, and waterways safe.

III. Legal Authority and Need for Rule

The Coast Guard issues this rulemaking under authority in 33 U.S.C. 1231. This rule updates the tables of annual recurring events in the existing regulation for the Coast Guard Sector Northern New England COTP Zone. The tables provide the event name, sponsor, and type, as well as approximate times, dates, and locations of the events. Advanced public notification of specific times, dates, regulated areas, and enforcement periods for each event will be provided through appropriate means, which may include the Local Notice to Mariners, Broadcast Notice to Mariners, and a Notice of Enforcement published in the **Federal Register** at least 30 days prior to the event date. If an event does not have a date and time listed in this regulation, then the precise dates and times of the enforcement period for that event will be announced through a Local Notice to Mariners and, if time permits, a Notice of Enforcement in the **Federal Register**.

IV. Discussion of Comments, Changes, and the Rule

As noted above, we received no comments on our NPRM published May 10, 2019. There are no changes in the regulatory text of this rule from the proposed rule in the NPRM.

The Coast Guard amends 33 CFR 100.120 "Special Local Regulations; Marine Events Held in the Coast Guard Sector Northern New England Captain of the Port Zone" by updating the details of three events, deleting two events, and adding on to the TABLE § 100.120. The updates to the TABLE to § 100.120: (1) 5.1 Tall Ships Visiting Portsmouth will become a one day event rather than a four day event; (2) 6.3 Windjammer Days Parade of Ships will become 6.3 Gathering of the Fleet; and (3) updates position for 8.6 Multiple Sclerosis Regatta. The events deleted from the TABLE to § 100.120 will be: (1) 7.7 Yarmouth Clam Festival Paddle Race and (2) 7.8 Maine Windjammer Lighthouse Parade. The event added to the table is the 7.8 Harpswell Lobster Boat Races.

The Coast Guard amends 33 CFR 165.171 "Safety Zones for fireworks

displays and swim events held in Coast Guard Sector Northern New England Captain of the Port Zone" by updating the details of seven events from the TABLE to § 165.171. This rule proposes the following updates: (1) 7.3 Camden 3rd of July Fireworks will become 7.3 Camden 4th of July Fireworks; (2) 9.1 Windjammer Festival Fireworks will become 9.1 Camden Windjammer Festival Fireworks; (3) updates position of 7.8 Ellis Short Sand Park Trustee Fireworks; (4) updates position of 7.9 Hampton Beach 4th of July Fireworks; (5) updates position of 7.13 Portland Harbor 4th of July Fireworks; (6) updates date of 8.9 Lake Champlain Swimming Race and the safety area around swimmers; and (7) changes name and location of event 8.8 from Challenge Maine Triathlon to Ironman 70.3 Maine.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13771 directs agencies to control regulatory costs through a budgeting process. This rule has not been designated a "significant regulatory action," under Executive Order 12866. Accordingly, the rule has not been reviewed by the Office of Management and Budget (OMB), and pursuant to OMB guidance it is exempt from the requirements of Executive Order 13771.

This regulatory action determination is based on the size, location, duration, and time-of-day of each regulated area. We are not adding any new special local regulations, rather we are updating existing regulations and removing obsolete events which have not been held for the past three years or which the sponsors indicate they have no intention to continue. Dates and coordinates have been updated to more accurately reflect the event. While we are primarily updating and removing safety zones, we are adding one safety zone for a swim event. However, this new swim event is only one day long in August and will only impact a small designated area of the waterway for a few hours. Moreover, the Coast Guard

will issue a Broadcast Notice to Mariners via VHF-FM marine channel 16 about the zone, and the rule would allow vessels to seek permission to enter the zone.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard received no comments from the Small Business Administration on this rulemaking. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule would not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section IV.A above, this rule would not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule would not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions

that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule would not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves special local regulations for various one day marine events and safety zones for fireworks displays and one day swimming events. Normally such actions are categorically excluded from further review under paragraph L61 of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 01. A Record of Environmental Consideration supporting this determination is available in the docket where indicated under **ADDRESSES**.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters.

Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places, or vessels.
