

351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request.

Commerce will grant the request unless it finds compelling reasons to deny the request.

On August 23, 2023, the petitioners² submitted a timely request that Commerce postpone the preliminary determinations in these LTFV investigations to 190 days after the date of initiation of the investigations.³ The petitioners stated that they request postponement due to the size and complexity of the investigations, the extensions of time already granted by Commerce to respondents, and the amount of time that will be needed for Commerce to conduct complete and thorough analyses in these investigations, including the issuance and review of additional supplemental questionnaires.⁴

For the reasons stated above and because there are no compelling reasons to deny the request for postponement, Commerce, in accordance with section 733(c)(1)(A) of the Act, is postponing the deadline for the preliminary determinations by 50 days (*i.e.*, 190 days after the date on which these investigations were initiated). As a result, Commerce will issue its preliminary determinations no later than November 24, 2023.⁵ In accordance with section 735(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determinations of these investigations will continue to be 75 days after the date of the preliminary determinations, unless postponed.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: September 1, 2023.

Assistant Secretary for Enforcement and Compliance.
