In order to ensure the appropriate consideration, comments should reference the OMB Control Number (see below).

The OMB is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and

- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

## NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

### Renewal of Advisory Committee on Electronic Records Archives

This notice is published in accordance with the provisions of section 9(a)(2) of the Federal Advisory

Committee Act (Pub. L. 92-463, 5 U.S.C., App.) and advises of the renewal of the National Archives and Records Administration's (NARA) Advisory Committee on Electronic Records Archives. In accordance with Office of Management and Budget (OMB) Circular A-135, OMB approved the inclusion of the Advisory Committee on Electronic Records Archives in NARA's ceiling of discretionary advisory committees.

NARA has determined that the renewal of the Advisory Committee on Electronic Records Archives is in the public interest due to the expertise and valuable advice the Committee members provide on technical, mission, and service issues related to the Electronic Records Archives (ERA). NARA will use the Committee's recommendations on issues related to the development, implementation, and use of the ERA system. NARA's Committee Management Officer is Mary Ann Hadyka. She can be reached at 301-837-1782.

Dated: August 21, 2007.
