

Continuation of the Order on PET Film From the PRC and the UAE

As a result of the determinations by the Department and the ITC that revocation of these antidumping duty orders would likely lead to a continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to sections 751(c) and 751(d)(2) of the Act, the Department hereby orders the continuation of the AD order on PET Film from the PRC and the UAE. U.S. Customs and Border Protection (CBP) will continue to collect antidumping duty cash deposits at the rates in effect at the time of entry for all imports of subject merchandise.

The effective date of the continuation of this order will be the date of publication in the **Federal Register** of this notice of continuation. Pursuant to section 751(c)(2) of the Act, the Department intends to initiate the next five-year review of this order not later than 30 days prior to the fifth anniversary of the effective date of continuation.

Revocation of the Order on PET Film From Brazil

As a result of the determination by the ITC that revocation of this AD order is not likely to lead to the continuation or recurrence of material injury to an industry in the United States, the Department is revoking the AD order on PET Film from Brazil. Pursuant to section 751(d)(2) of the Act and 19 CFR 351.222(i)(2)(i), the effective date of revocation is November 10, 2013 (*i.e.*, the fifth anniversary of the date of publication in the **Federal Register** of the order⁵).

Cash Deposit and Assessment of Duties on PET Film From Brazil

The Department will notify U.S. Customs and Border Protection (CBP), 15 days after the publication of this notice, to terminate the suspension of liquidation and to discontinue the collection of cash deposits on entries of PET Film from Brazil, entered or withdrawn from warehouse, on or after November 10, 2013. The Department will further instruct CBP to refund with interest all cash deposits on entries made on or after November 10, 2013. Entries of subject merchandise prior to the effective date of revocation will continue to be subject to suspension of liquidation and AD deposit

requirements and assessments. The Department will complete any pending or requested administrative reviews of the order on PET Film from Brazil covering entries prior to November 10, 2013.

Administrative Protective Order

This notice also serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return/destruction or conversion to judicial protective order of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Failure to comply is a violation of the APO which, may be subject to sanctions.

This five-year (sunset) review and notice are in accordance with sections 751(c) and 751(d)(2), and 777(i) of the Act, and 19 CFR 351.218(f)(4).

Wooden Bedroom Furniture From the People's Republic of China: Preliminary Results of Changed Circumstances Review, and Intent To Revoke Antidumping Duty Order in Part

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On June 2, 2014, the Department of Commerce (the “Department”) received a request for revocation, in part, of the antidumping duty (“AD”) order on wooden bedroom furniture from the People’s Republic of China (“PRC”) ¹ with respect to certain shoe cabinets. We preliminarily determine that the producers accounting for substantially all of the production of the domestic like product to which the *Order* pertains lack interest in the relief provided by the *Order* with respect to certain shoe cabinets described below. Accordingly, we intend to revoke, in part, the *Order* as to imports of certain shoe cabinets. The Department invites

interested parties to comment on these preliminary results.

DATES: Effective Date: February 6, 2015.

FOR FURTHER INFORMATION CONTACT: Thomas Martin or Howard Smith, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482–3936 or (202) 482–5193, respectively.

Background

On January 4, 2005, the Department published the *Order* in the **Federal Register**. On June 2, 2014, the Department received a request on behalf of Elements International Group LLC (“Elements”) for a changed circumstances review to revoke, in part, the *Order* with respect to certain shoe cabinets.² In its request, Elements stated that the American Furniture Manufacturing Committee for Legal Trade and Vaughan-Basset Furniture Company, Inc. (“Petitioners”) discussed the scope exclusion described below and are in agreement with the revocation, in part. On June 3, 2014, the Department received a letter from the Petitioners in which they stated they were in agreement with the proposed scope exclusion language in Elements’ June 2, 2014, changed circumstances review request.³

On July 15, 2014, we published the *Initiation Notice* in the **Federal Register**.⁴ Because the statement submitted by Petitioners in support of Elements’ Request did not indicate whether Petitioners account for substantially all of the domestic wooden bedroom furniture production, in the *Initiation Notice*, we invited interested parties to submit comments concerning industry support, as well as comments and/or factual information regarding the changed circumstances review.⁵ We received no comments concerning industry support.

Scope of the Order

The product covered by the order is wooden bedroom furniture. Wooden

The subject merchandise is made substantially of wood products, including both solid wood and also engineered wood products made from wood particles, fibers, or other wooden materials such as plywood, strand board, particle board, and fiberboard, with or without wood veneers, wood overlays, or laminates, with or without non-wood components or trim such as metal, marble, leather, glass, plastic, or other resins, and whether or not assembled, completed, or finished.

Imports of subject merchandise are classified under subheadings 9403.50.9042 and 9403.50.9045 of the

¹⁷ Cheval mirrors are any framed, tiltable mirror with a height in excess of 50 inches that is mounted on a floor-standing, hinged base. Additionally, the scope of the order excludes combination cheval mirror/jewelry cabinets. The excluded merchandise is an integrated piece consisting of a cheval mirror, i.e., a framed tiltable mirror with a height in excess of 50 inches, mounted on a floor-standing, hinged base, the cheval mirror serving as a door to a cabinet back that is integral to the structure of the mirror and which constitutes a jewelry cabinet line with fabric, having necklace and bracelet hooks, mountings for rings and shelves, with or without a working lock and key to secure the contents of the jewelry cabinet back to the cheval mirror, and no drawers anywhere on the integrated piece. The fully assembled piece must be at least 50 inches in height, 14.5 inches in width, and 3 inches in depth. See *Wooden Bedroom Furniture From the People's Republic of China: Final Changed Circumstances Review and Determination To Revoke Order in Part*, 72 FR 948 (January 9, 2007).

¹⁸ Metal furniture parts and unfinished furniture parts made of wood products (as defined above) that are not otherwise specifically named in this scope (i.e., wooden headboards for beds, wooden footboards for beds, wooden side rails for beds, and wooden canopies for beds) and that do not possess the essential character of wooden bedroom furniture in an unassembled, incomplete, or unfinished form. Such parts are usually classified under HTSUS subheadings 9403.90.7005, 9403.90.7010, or 9403.90.7080.

¹⁹ Upholstered beds that are completely upholstered, i.e., containing filling material and completely covered in sewn genuine leather, synthetic leather, or natural or synthetic decorative fabric. To be excluded, the entire bed (headboards, footboards, and side rails) must be upholstered except for bed feet, which may be of wood, metal, or any other material and which are no more than nine inches in height from the floor. See *Wooden Bedroom Furniture From the People's Republic of China: Final Results of Changed Circumstances Review and Determination to Revoke Order in Part*, 72 FR 7013 (February 14, 2007).

²⁰ To be excluded the toy box must: (1) Be wider than it is tall; (2) have dimensions within 16 inches to 27 inches in height, 15 inches to 18 inches in depth, and 21 inches to 30 inches in width; (3) have a hinged lid that encompasses the entire top of the box; (4) not incorporate any doors or drawers; (5) have slow-closing safety hinges; (6) have air vents; (7) have no locking mechanism; and (8) comply with American Society for Testing and Materials ("ASTM") standard F963-03. Toy boxes are boxes generally designed for the purpose of storing children's items such as toys, books, and playthings. See *Wooden Bedroom Furniture From the People's Republic of China: Final Results of Changed Circumstances Review and Determination to Revoke Order in Part*, 74 FR 8506 (February 25, 2009). Further, as determined in the scope ruling memorandum "Wooden Bedroom Furniture from the People's Republic of China: Scope Ruling on a White Toy Box," dated July 6, 2009, the dimensional ranges used to identify the toy boxes that are excluded from the wooden bedroom furniture order apply to the box itself rather than the lid.

HTSUS as “wooden . . . beds” and under subheading 9403.50.9080 of the HTSUS as “other . . . wooden furniture of a kind used in the bedroom.” In addition, wooden headboards for beds, wooden footboards for beds, wooden side rails for beds, and wooden canopies for beds may also be entered under subheading 9403.50.9042 or 9403.50.9045 of the HTSUS as “parts of wood.” Subject merchandise may also be entered under subheadings 9403.50.9041, 9403.60.8081, or 9403.20.0018. Further, framed glass mirrors may be entered under subheading 7009.92.1000 or 7009.92.5000 of the HTSUS as “glass mirrors . . . framed.” The order covers all wooden bedroom furniture meeting the above description, regardless of tariff classification. Although the HTSUS subheadings are provided for convenience and customs purposes, our written description of the scope of this proceeding is dispositive.

Scope of Changed Circumstances Review

The products covered by this changed circumstances review are shoe cabinets 31.5–33.5 inches wide by 15.5–17.5 inches deep by 34.5–36.5 inches high. They are designed strictly to store shoes, which are intended to be aligned in rows perpendicular to the wall along which the cabinet is positioned. Shoe cabinets do not have drawers, rods, or other indicia for the storage of clothing other than shoes. The cabinets are not designed, manufactured, or offered for sale in coordinated groups or sets and are made substantially of wood, have two to four shelves inside them, and are covered by doors. The doors often have blinds that are designed to allow air circulation and release of bad odors. The doors themselves may be made of wood or glass. The depth of the shelves does not exceed 14”. Each shoe cabinet has doors, adjustable shelving, and ventilation holes.

Preliminary Results of Changed Circumstances Review, and Intent To Revoke the Order, in Part

Pursuant to section 751(d)(1) of the Tariff Act of 1930, as amended (the “Act”), and 19 CFR 351.222(g), the Department may revoke an AD order, in whole or in part, based on a review under section 751(b) of the Act (*i.e.*, a changed circumstances review). Section 751(b)(1) of the Act requires a changed circumstances review to be conducted upon receipt of a request which shows changed circumstances sufficient to warrant a review. Section 782(h)(2) of the Act gives the Department the authority to revoke an order if producers

accounting for substantially all of the production of the domestic like product have expressed a lack of interest in the order. 19 CFR 351.222(g) provides that the Department will conduct a changed circumstances review under 19 CFR 351.216, and may revoke an order (in whole or in part), if it concludes that (i) producers accounting for substantially all of the production of the domestic like product to which the order pertains have expressed a lack of interest in the relief provided by the order, in whole or in part, or (ii) if other changed circumstances sufficient to warrant revocation exist. Both the Act and the Department’s regulations require that “substantially all” domestic producers express a lack of interest in the order for the Department to revoke the order, in whole or in part.²¹ The Department has interpreted “substantially all” to represent producers accounting for at least 85 percent of U.S. production of the domestic like product.²²

On June 2, 2014, Elements requested that the Department expedite the changed circumstances review.²³ The Department’s regulations do not specify a deadline for the issuance of preliminary results of a changed circumstances review, but provide that the Department will issue the final results of review within 270 days after the date on which the changed circumstances review is initiated, or within 45 days if all parties to the proceeding agree to the outcome of the review.²⁴ The Department did not issue a combined notice of initiation and preliminary results because, as discussed above, the statement provided by Petitioners and offered in support of Elements’ Request does not indicate whether Petitioners account for substantially all domestic wooden bedroom furniture production.²⁵ Thus, the Department did not determine in the *Initiation Notice* that producers accounting for substantially all of the production of the domestic like product lacked interest in the continued application of the *Order* as to certain shoe cabinets. Further, the Department requested interested party comments on

the issue of domestic industry support of a partial revocation.²⁶ Because the Department received no comments concerning a lack of industry support or opposing initiation of the changed circumstances review of the *Order*, the Department now preliminarily finds that producers accounting for substantially all of the production of the domestic like product lack interest in the relief afforded by the *Order* with respect to the certain shoe cabinets described in Elements’ Request. We request comment from interested parties on that preliminary finding before issuing the final results of this review.²⁷

As noted in the *Initiation Notice*, Elements requested the revocation of the *Order*, in part, and supported its request. In light of Elements’ Request and the interested party comments received during the comment period, we preliminarily conclude that changed circumstances warrant revocation of the *Order*, in part, because the producers accounting for substantially all of the production of the domestic like product to which the *Order* pertains lack interest in the relief provided by the *Order* with respect to the certain shoe cabinets that are the subject of Elements’ Request.

Accordingly, we are notifying the public of our intent to revoke the *Order*, in part, with respect to certain shoe cabinets. We intend to revoke the *Order* as to certain shoe cabinets by including the following language in the scope of the *Order*:

Also excluded from the scope are certain shoe cabinets 31.5–33.5 inches wide by 15.5–17.5 inches deep by 34.5–36.5 inches high. They are designed strictly to store shoes, which are intended to be aligned in rows perpendicular to the wall along which the cabinet is positioned. Shoe cabinets do not have drawers, rods, or other indicia for the storage of clothing other than shoes. The cabinets are not designed, manufactured, or offered for

Public Comment

Interested parties are invited to comment on these preliminary results in accordance with 19 CFR 351.309(c)(1)(ii). If an interested party is of the view that certain arguments continue to be relevant to the Department's final results of this review, that interested party is required to file a case brief containing all such arguments, including any such arguments presented to the Department before the date of publication of the preliminary results, pursuant to 19 CFR 351.309(c)(2). Written comments may be submitted no later than 10 days after the date of publication of these preliminary results. Rebuttals to written comments, limited to issues raised in such comments, may be filed no later than seven days after the due date for comments. All comments are to be filed electronically using Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System ("ACCESS") which is available to registered users at <http://access.trade.gov> and in the Central Records Unit, Room 7046 of the main Department of Commerce building. Comments must also be served on interested parties.²⁸ An electronically filed document must be received successfully in its entirety by ACCESS by 5:00 p.m. Eastern Standard Time on the day it is due.²⁹

The Department will issue the final results of this changed circumstances review, which will include its analysis of any written comments, no later than 270 days after the date on which this review was initiated.

If, in the final results of this review, the Department continues to determine that changed circumstances warrant the revocation of the *Order*, in part, we will instruct U.S. Customs and Border Protection ("CBP") to liquidate without regard to antidumping duties, and to refund any estimated antidumping duties, on all unliquidated entries of the merchandise covered by the revocation that are not covered by the final results

of an administrative review or automatic liquidation.

The current requirement for cash deposits of estimated antidumping duties on all entries of subject merchandise will continue unless until they are modified pursuant to the final results of this changed circumstances review.

These preliminary results of review and notice are in accordance with sections 751(b) and 777(i) of the Act and 19 CFR 351.221 and 19 CFR 351.222.

SUMMARY: The Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on certain steel nails (nails) from the United Arab Emirates (UAE). The period of review (POR) is May 1, 2013, through April 30, 2014. The review covers two producers/exporters of the subject merchandise, Dubai Wire FZE (Dubai Wire) and Precision Fasteners, L.L.C. (Precision). We preliminarily find that Dubai Wire and Precision sold subject merchandise at less than normal value in the United States during the POR. Interested parties are invited to comment on these preliminary results.

The products are currently classifiable under the Harmonized Tariff Schedule of the United States (HTSUS) subheadings 7317.00.55, 7317.00.65, and 7317.00.75. Although the HTSUS numbers are provided for convenience and customs purposes, the written product description remains dispositive.²

Methodology

The Department has determined the weighted-average dumping margins for Dubai Wire and Precision based on facts otherwise available pursuant to section 776(a) of the Tariff Act of 1930, as amended (the Act). For a full description of the methodology underlying our conclusions, see Preliminary Decision Memorandum.
