2. *Type of Information Collection Request:* Extension of a currently approved collection; *Title of Information Collection:* CAHPS Hospice Survey; *Use:* CMS is required to collect and publicly report information on the quality of services provided by hospices under provisions in the Social Security Act. Specifically, sections 1814(i)(5)(A) through (C) of the Act, as added by section 3132(a) of the Patient Protection and Affordable Care Act (PPACA) (Pub. L. 111-148), required hospices to begin submitting quality data, based on measures specified by the Secretary of the Department of Health and Human Services (the Secretary) for FY 2014 and subsequent FYs.

The goal of the survey is to measure the experiences of patients and their caregivers with hospice care. The survey was developed to:

- Provide a source of information from which selected measures could be publicly reported to beneficiaries and their family members as a decision aid for selection of a hospice program;
- Aid hospices with their internal quality improvement efforts and external benchmarking with other facilities;
- Provide CMS with information for monitoring the care provided.

SUPPLEMENTARY INFORMATION: Under the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501-3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term "collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3506(c)(2)(A)) requires federal agencies to publish a 30-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice that summarizes the following proposed collection(s) of information for public comment:

1. *Type of Information Collection Request:* Revision of a previously approved information collection; *Title of Information Collection:* Annual Notice of Chance and Evidence of Coverage for Applicable Integrated Plans in States that Require Integrated Materials; *Use:* CMS requires AIPs to use the approved standardized documents to ensure that correct information is disclosed to current and potential enrollees. Additionally, CMS requires AIPs to submit the completed ANOC and EOC documents to CMS. CMS stores the completed templates. New and current enrollees can review the ANOC and EOC upon receipt to find plan benefits, premiums and cost sharing for the coming year to be in a better position to make informed and educated plan selections. CMS does not require new and current enrollees to review the documents or use them in any way.

MA organizations with AIPs in States that require these integrated documents upload ANOC and EOC documents into the Health Plan Management System (HPMS) to ensure accuracy and regulatory compliance. Section 422.111(h)(2)(ii) requires that, the ANOC/EOC be available on the website

and 422.111(d)(2) requires that the plan send the ANOC to the enrollee in hard copy format, upon request. Section 423.128(d)(2) requires that Part D sponsors post the ANOC and EOC documents on their website and send the ANOC only to enrollees electronically or in hard copy. *Form Number:* CMS-10824 (OMB control number: 0938-New); *Frequency:* Annually; *Affected Public:* Private Sector; Businesses or other for-profits; *Number of Respondents:* 47; *Total Annual Responses:* 47; *Total Annual Hours:* 564.
