We are soliciting public comments to permit the Department to:

- Evaluate whether the proposed information collection is necessary for the proper functions of the Department.

- Evaluate the accuracy of our estimate of the time and cost burden for this proposed collection, including the validity of the methodology and assumptions used.

- Enhance the quality, utility, and clarity of the information to be collected.

- Minimize the reporting burden on those who are to respond, including the use of automated collection techniques or other forms of information technology.

Please note that comments submitted in response to this Notice are public record. Before including any detailed personal information, you should be aware that your comments as submitted, including your personal information, will be available for public review.

Abstract of proposed collection:

The Form DS-2031 is necessary to document imports of shrimp pursuant to the State Department's implementation of Section 609 of Public Law 101-162, which prohibits the entry into the United States of shrimp harvested in ways which are harmful to sea turtles. Respondents are shrimp exporters and government officials in countries that export shrimp to the United States. The DS-2031 Form is to be retained by the importer for a period of three years subsequent to entry, and during that time is to be made available to U.S. Customs and Border Protection or the Department of State upon request.

Methodology:

The DS-2031 form is completed by the exporter, the importer, and under certain conditions a government official of the exporting country. The DS-2031 Form accompanies shipments of shrimp and shrimp products to the United States and is to be made available to U.S. Customs and Border Protection at the time of entry.

Dated: June 20, 2013.

David A. Balton,

Deputy Assistant Secretary of State for Oceans and Fisheries, Bureau of Oceans and International Environmental and Scientific Affairs, Department of State.
