Arthur H. Bell, D.O.; Decision and Order

On July 15, 2014, the Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration, issued an Order to Show Cause to Arthur H. Bell, D.O. (Respondent), of Covington, Kentucky. GX 1, at 1. The Show Cause Order proposed the denial of Respondent's application for a DEA Certificate of Registration as a practitioner on multiple grounds, including that he had materially falsified his application for a registration, as well as that he had committed acts which render his registration inconsistent with the public interest. *Id.* at 1–2 (citing 21 U.S.C. 823(f) and 824(a)(1)).

As for the material falsification allegation, the Show Cause Order alleged that on November 9, 2011, Respondent had voluntarily surrendered his previous DEA Registration. *Id.* The Order then alleged that on March 14, 2013, Respondent applied for a new DEA registration, but materially falsified the application when he ''answered 'no' to question which asked, '[h]as the Respondent ever surrendered (for cause) or had a federal controlled substance registration revoked, suspended, restricted or denied, or is any such action pending?''' *Id.*

As for the allegations that Respondent had committed acts which render his registration inconsistent with the public interest, the Show Cause Order alleged that Respondent violated federal law by issuing controlled substance prescriptions when he ''no longer possessed a DEA registration.'' *Id.* at 2 (citing 21 CFR 1306.03(a)). More specifically, the Order alleged that on May 5, 2012, Respondent had issued a prescription for 60 tablets of Lyrica 75 mg, a schedule V controlled substance, and on September 12, 2012, Respondent had issued a prescription for Zutripro 120 ml, a schedule III controlled substance. *Id.*

The Show Cause Order also alleged that from July 11, 2011 through November 4, 2011, Respondent ''dispensed controlled substances on behalf of Care Plus Medical Group (CPMG), a purported pain management clinic formerly located in Creve Coeur, Missouri, [which] was owned by Scott Whitney.'' *Id.* The Order alleged that prior to beginning his employment with CPMG, Respondent arranged with Whitney to order schedule II controlled substances under his previous registration and that ''[t]o that end, . . . Whitney sent 20 DEA 222 forms to [Respondent's] residence, and asked that [he] pre-sign them so that controlled substances could be ordered on behalf of CPMG.'' *Id.* The Order then alleged that Respondent ''pre-signed the forms, dated them . . . and mailed them to . . . Whitney . . . [who] then used one . . . to place orders for oxycodone 30 mg and oxycodone 10/325 mg.'' *Id.* The Order alleged that this violated federal law because it ''authoriz[ed] . . . Whitney to place an order for controlled substances under [Respondent's] previous . . . registration without executing a power of attorney for . . . Whitney.'' *Id.* (citing 21 CFR 1303.05(a)).

Next, the Show Cause Order alleged that on October 28, 2013, Respondent falsified his application for his Ohio medical license, when he failed to disclose that he had previously surrendered his DEA registration. *Id.* at 1–2. The Order further alleged that this ''conduct evidences a lack of candor to Ohio licensing authorities.'' *Id.* (citing 21 U.S.C. 823(f)(5)).

Finally, the Show Cause Order notified Respondent of his right to request a hearing on the allegations or to submit a written statement in lieu of a hearing, the procedure for electing either option, and the consequence of failing to elect either option. *Id.* at 2–3 (citing 21 CFR 1301.43). The Government also included with the Order a sample Request for Hearing form. *Id.* at 4.
