

Enforcement a better understanding of how often observers are victimized, which will enable them to reallocate resources as needed, conduct more training for observers to ensure they know how to report, conduct training to ensure people understand what constitutes a victim crime, and to increase awareness of potential victimizations. Additionally, the survey results will help law enforcement understand the barriers to disclosure, so enforcement may begin to address these impediments so they no longer prevent observers from disclosure.

II. Method of Collection

Data will be collected on a voluntary basis, via an electronic survey to ensure anonymity. The survey will be offered to all observers who deployed in 2020 in the North Pacific Observer Program. Individual data will not be released for public use.
