**SUPPLEMENTARY INFORMATION:**

*Background:* The President directed  
that the Blue Ribbon Commission on  
America's Nuclear Future (the  
Commission) be established to conduct  
a comprehensive review of policies for  
managing the back end of the nuclear  
fuel cycle. The Commission will  
provide advice and make  
recommendations on issues including  
alternatives for the storage, processing,  
and disposal of civilian and defense  
spent nuclear fuel and nuclear waste.

The Commission held its second full  
Commission meeting on May 25 and 26,  
2010. The Commission is scheduled to  
submit a draft report to the Secretary of  
Energy by July 2011, and a final report  
by January 2012.

*Purpose of the Meeting:* The meeting  
will provide the Commission with a  
range of local and regional perspectives  
from a wide variety of individuals and  
organizations. The tours will afford the  
Commissioners an opportunity to see  
first-hand a collection of facilities  
involved in the treatment, packaging  
and storage of used fuel and high-level  
wastes.

*Tentative Agenda:* The meeting is  
expected to start at 8 a.m. on July 14  
with the Commissioners touring  
relevant areas of the Hanford Site.  
Presentations to the Commission are  
expected to begin at approximately 2  
p.m. at the Three Rivers Convention  
Center. The Commission will then hear  
presentations and statements from  
various stakeholder groups, and ask  
questions of the presenters, to provide  
additional information for Commission  
consideration. The meeting on July 15 is  
expected to start at 8:30 a.m. with  
additional presentations and statements,  
move to discussions by the  
Commissioners, and conclude with  
public statements. The meeting will end  
by 1 p.m.

*Public Participation:* The meeting and  
the tour of the relevant areas of the

Hanford Site are open to the public on  
a space-available basis. Those wishing  
to attend the tour with the  
Commissioners must register in advance  
at <http://www.hanford.gov>. Registration  
is on a “first-come, first-served” basis  
and is limited to 80 people. Registration  
will open on July 2 at 7 a.m. and close  
on July 9 at noon.

Individuals and representatives of  
organizations who would like to offer  
comments and suggestions may do so at  
the end of the meeting on Thursday,  
July 15, 2010. Approximately 45  
minutes will be reserved for public  
comments. Time allotted per speaker  
will depend on the number who wish to  
speak but will not exceed 5 minutes.  
The Designated Federal Officer is  
empowered to conduct the meeting in a  
fashion that will facilitate the orderly  
conduct of business. Those wishing to  
speak should register to do so beginning  
at 8 a.m. on July 15, 2010 at the Three  
Rivers Convention Center.

Those not able to attend the meeting  
or have insufficient time to address the  
committee are invited to send a written  
statement to Timothy A. Frazier, U.S.  
Department of Energy, 1000  
Independence Avenue, SW.,  
Washington, DC 20585, e-mail to  
*CommissionDFO@nuclear.energy.gov*, or  
post comments on the Commission Web  
site at <http://www.brc.gov>.

Additionally, the meeting will be  
available via live Webcast. The link will  
be available at <http://www.brc.gov>.

*Minutes:* The minutes of the meeting  
will be available at <http://www.brc.gov>  
or by contacting Mr. Frazier. He may be  
reached at the postal address or e-mail  
address above.

Issued in Washington, DC on June 22,
