Type of Review: New.

Title of Collection: A Study of Implementation and Outcomes in Upward Bound and Other TRIO Programs.

OMB Control Number: 1850-NEW.

Agency Form Number(s): N/A.

Frequency of Responses: Once.

Affected Public: Not-for-profit institutions; State, Local, or Tribal Government, State Educational Agencies or Local Educational Agencies. *Total Estimated Number of Annual Responses:* 1,040.

Total Estimated Annual Burden Hours: 1,066.

Abstract: The Study of Implementation and Outcomes in Upward Bound and Other Higher Education Preparation and Support Service (HEPSS but more commonly referred to as TRIO) Programs will examine the feasibility of a promising practices study of Upward Bound that uses a rigorous quasi-experimental design. The design and feasibility report will develop a set of design options for conducting a study of Upward Bound and examine their applicability to studies of other TRIO programs. If a rigorous evaluation design proves feasible, the U.S. Department of Education will conduct a study of the relationship between promising Upward Bound implementation strategies and student outcomes. This submission includes the justification and plan for the data collection of information and statistical methods for the design and feasibility study. It also provides an overview of the design and feasibility study.
