SUPPLEMENTARY INFORMATION:

Authority: The authority for institution of this investigation is contained in section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, and in section 210.10 of the Commission's Rules of Practice and Procedure, 19 CFR 210.10 (2020).

Scope of Investigation: Having considered the complaint, the U.S. International Trade Commission, on January 19, 2021, *ordered that*—

(1) Pursuant to subsection (b) of section 337 of the Tariff Act of 1930, as amended, an investigation be instituted to determine whether there is a violation of subsection (a)(1)(B) of section 337 in the importation into the United States, the sale for importation, or the sale within the United States after importation of certain products identified in paragraph (2) by reason of infringement of one or more of claims 1–3, 6, 7, 9, 14, 17, 18, 20, and 21 of the '665 patent; and claims 1, 2, 7, 8, 11, 12, 19, 20, 26, and 27 of the '345 patent; and whether an industry in the United States exists as required by subsection (a)(2) of section 337;

(2) Pursuant to section 210.10(b)(1) of the Commission's Rules of Practice and Procedure, 19 CFR 210.10(b)(1), the plain language description of the accused products or category of accused products, which defines the scope of the investigation, is “gabapentin immunoassays kits, gabapentin-specific test strips, multi-drug test kits and strips that test for gabapentin among other drugs, and components of such kits and test strips”;

(3) For the purpose of the investigation so instituted, the following are hereby named as parties upon which this notice of investigation shall be served:

(a) The complainant is:

ARK Diagnostics, Inc., 48089 Fremont Boulevard, Fremont, CA 94538.

(b) The respondents are the following entities alleged to be in violation of section 337, and are the parties upon which the complaint is to be served:

(4) For the investigation so instituted, the Chief Administrative Law Judge, U.S. International Trade Commission, shall designate the presiding Administrative Law Judge.

The Office of Unfair Import Investigations will not participate as a party in this investigation.

Responses to the complaint and the notice of investigation must be submitted by the named respondents in accordance with section 210.13 of the Commission's Rules of Practice and Procedure, 19 CFR 210.13. Pursuant to 19 CFR 201.16(e) and 210.13(a), as amended in 85 FR 15798 (March 19, 2020), such responses will be considered by the Commission if received not later than 20 days after the date of service by the complainant of the complaint and the notice of investigation. Extensions of time for submitting responses to the complaint and the notice of investigation will not be granted unless good cause therefor is shown.

Failure of a respondent to file a timely response to each allegation in the complaint and in this notice may be deemed to constitute a waiver of the right to appear and contest the allegations of the complaint and this notice, and to authorize the administrative law judge and the Commission, without further notice to the respondent, to find the facts to be as alleged in the complaint and this notice and to enter an initial determination and a final determination containing

such findings, and may result in the issuance of an exclusion order or a cease and desist order or both directed against the respondent.

By order of the Commission.

Issued: January 19, 2021.

William Bishop,

Supervisory Hearings and Information Officer.

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Clean Air Act

On January 14, 2021, the Department of Justice lodged a proposed consent decree with the United States District Court for the Middle District of North Carolina in *United States v. Pilkington North America, Inc.*, Civil Action No. 1:21-cv-00040.

The United States filed a complaint under Clean Air Act (CAA) Sections 113(b) and 167, 42 U.S.C. 7413(b) and 7477, seeking injunctive relief for the Defendant's alleged failure to (1) obtain appropriate permits before modifying and subsequently operating Furnace No. 1 at its glass manufacturing facility in Laurinburg, North Carolina, and (2) install and employ the best available control technology (BACT) to control emissions of nitrogen oxides (NO_x), sulfur dioxide (SO₂), and particulate matter (PM) from Furnace No. 1, as required by the CAA. The United States simultaneously lodged a consent decree that would settle the claims in the complaint.

Under the proposed decree, the Defendant will have to (1) install equipment on Furnace No. 1 to control emissions of NO_x, SO₂, and PM from the furnace; (2) install equipment on Furnace No. 1 to continuously monitor NO_x and SO₂ emissions from the furnace and perform annual stack tests to monitor PM emissions from the furnace; (3) meet interim and final limits for emissions of NO_x, SO₂, and PM from Furnace No. 1; (4) incorporate certain requirements of the decree into a permit; and (5) perform a project to mitigate excess PM emissions from the Laurinburg facility.

The publication of this notice opens a period for public comment on the proposed consent decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States v. Pilkington North America, Inc.*, D.J. Ref. No. 90-5-2-1-10328. All comments must be

submitted no later than thirty (30) days after the publication date of this notice. Comments may be submitted either by email or by mail:

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Comprehensive Environmental Response, Compensation, and Liability Act

On January 15, 2021, the Department of Justice and the State of California on behalf of the California Department of Toxic Substances Control (“DTSC”) lodged a proposed Consent Decree with the United States District Court for the Central District of California pertaining to environmental contamination at the Dense Non-Aqueous Phase Liquid Operable Unit (“DNAPL OU”) of the Montrose Chemical Corp. Superfund Site in Los Angeles County, California. This proposed Consent Decree was lodged in the case *United States of America and State of California vs. Montrose Chemical Corp. of California et al.*, Civil Action No. 2:90–cv–03122 DOC (C.D. Cal.); it resolves certain of the claims in that case.

The proposed Consent Decree, titled in full “Partial Consent Decree (Montrose Superfund Site—Dense Non-Aqueous Phase Liquid (DNAPL)

Operable Unit)”, resolves certain claims or potential claims under Sections 106 and 107 of the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. 9606, 9607, as well as certain potential state law claims, in connection with environmental contamination at the DNAPL OU. The settling defendants are TFCF America, Inc.; Bayer CropScience Inc.; Montrose Chemical Corporation of California; and Stauffer Management Company LLC. The Consent Decree requires the settling defendants to perform the remedy at the DNAPL OU, which consists primarily of in-situ thermal treatment (electrical resistance heating) and soil vapor extraction with an associated land use covenant, and to make a payment of \$340,000.00 toward the United States’ unreimbursed DNAPL OU past costs and a payment of \$61,798.11 towards DTSC’s DNAPL OU past costs. The proposed Consent Decree also requires the settling defendants to pay the United States’ and DTSC’s future response costs for overseeing the work the settling defendants will be performing at the DNAPL OU.

The publication of this notice opens a period for public comment on the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States of America and State of California vs. Montrose Chemical Corp. of California et al.*, D.J. Ref. No. 90–11–3–511. All comments must be submitted no later than thirty (30) days after the publication date of this notice. Comments may be submitted either by email or by mail:
