DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Clean Air Act

On January 22, 2020, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the Southern District of Ohio in the lawsuit entitled *United States v. Gulfport Energy Corporation*, Case No. 2:20-cv-00340-ALM-CMV.

The United States filed a Complaint in this lawsuit seeking civil penalties and injunctive relief from Defendant Gulfport Energy Corporation ("Gulfport") for alleged violations of the Clean Air Act, 42 U.S.C. 7401-7671q, at multiple oil and gas production well pads that Gulfport owns and operates in eastern Ohio (the "Facilities"). The United States' Complaint alleges that Gulfport has violated statutory and regulatory requirements applicable to storage tanks at the Facilities arising under the Clean Air Act and regulations promulgated by the U.S. Environmental Protection Agency establishing standards of performance for crude oil and natural gas production, transmission, and distribution facilities (codified at 40 CFR part 60, subpart OOOO), as well as corresponding requirements in Gulfport's Clean Air Act operating permits for the Facilities.

When the Complaint was filed, the United States also lodged a proposed Consent Decree that would settle the claims asserted in the Complaint. Among other things, the proposed Consent Decree would require Gulfport to implement appropriate injunctive

relief to control air pollutant emissions from storage tanks at the Facilities, undertake additional mitigation measures to help offset unauthorized past air pollutant emissions, and pay a total of \$1,700,000 in civil penalties (plus interest) to the United States.

The publication of this notice opens a period for public comment on the proposed Consent Decree.
