BILLING CODE 4410–31–P

DEPARTMENT OF LABOR

Employment and Training Administration

[TA–W–82,286]

Oshkosh Defense, a Division of Oshkosh Corporation, Including On-Site Leased Workers From Acounemps, Advantage Federal Resourcing, Aerotek, Cadre, Dyncorp International, EDCi IT Services, LLC, Landmark Staffing Resources, Inc., Larsen and Toubro Limited, MRI Network/Manta Resources, Inc., Omni Resources, Premier Temporary Staffing, Retzlaff Parts and Repair, Roman Engineering, Straight Shot Express, Inc., Teksystems, and Labor Ready, Oshkosh, Wisconsin; Notice of Negative Determination on Reconsideration

On April 29, 2013, the Department of Labor issued an Affirmative Determination Regarding Application for Reconsideration for the workers and former workers of Oshkosh Defense, a division of Oshkosh Corporation, Oshkosh, Wisconsin (hereafter referred to as “Oshkosh Defense” or “the subject firm”). Workers at the subject firm were engaged in activities related to the production of, and administrative functions in support of, military, logistical, and tactical vehicles, and diverse products for airport products and commercial group (i.e., H-Broom, H-Blower, H-Tractor, P-Series Snow Removal Vehicle, S-Series Front Discharge Cement Mixers and AARF axles), including component parts. The workers are not separately identifiable by article produced. The subject worker group includes workers at various facilities in Oshkosh, Wisconsin who are engaged in production of, and administrative functions in support of, the articles produced by the subject firm.

The subject worker group also includes on-site leased workers from Acounemps, Advantage Federal Resourcing, Aerotek, Cadre, Dyncorp International, EDCi IT Services, LLC, Landmark Staffing Resources, Inc., Larsen and Toubro Limited, MRI Network/Manta Resources, Inc., Omni Resources, Premier Temporary Staffing, Retzlaff Parts and Repair, Roman Engineering, Straight Shot Express, Inc., Teksystems, and Labor Ready.

The petitioner alleges that workers were impacted by increased imports of component parts like or directly competitive with those produced at the Oshkosh, Wisconsin facility.

The initial investigation resulted in a negative determination based on the

Department’s findings that the subject firm did not import like or directly competitive articles, and did not import finished articles using like or directly competitive foreign-produced component parts.

With respect to Section 222(a)(2)(B) of the Act, the investigation revealed that Oshkosh Defense did not shift the production of military, logistical, and tactical vehicles, or like or directly competitive articles, to a foreign country or acquire the production of such articles from a foreign country.

With respect to Section 222(b)(2) of the Act, the investigation revealed that Oshkosh Defense is not a Supplier or Downstream Producer to a firm that employed a group of workers who received a certification of eligibility under Section 222(a) of the Act, 19 U.S.C. 2272(a).

Finally, the group eligibility requirements under Section 222(e) of the Act, have not been satisfied because the workers’ firm has not been publically identified by name by the International Trade Commission as a member of a domestic industry in an investigation resulting in an affirmative finding of serious injury, market disruption, or material injury, or threat thereof.

In the request for reconsideration, the petitioner alleged that the Department has issued a determination for a worker group other than the one identified by the United Auto Workers, Local 578 (UAW–578) in its petition. Specifically, UAW–578 asserts that the subject firm is Oshkosh Corporation and that it has a collective bargaining agreement with Oshkosh Corporation. UAW–578 also alleges that the Department has misunderstood the articles produced at the subject facility. Specifically, UAW–578 asserts that the subject facility produces articles for both military and commercial use. UAW–578 further alleges that an article or a component part for military use is like or directly competitive with the same one for commercial use.

During the reconsideration investigation, the subject firm company official confirmed that, in addition to the production of, and administrative functions in support of military, logistical, and tactical vehicles, the workers of the subject firm also produced diverse products for airport products and commercial group (i.e., H-Broom, H-Blower, H-Tractor, P-Series Snow Removal Vehicle, S-Series Front Discharge Cement Mixers and AARF axles).

The reconsideration investigation also revealed that “Oshkosh Defense” is the only division within Winnebago county
