

TABLE 1—ESTIMATE OF BURDEN FOR EEO-4 REPORT—Continued

|                 | Hourly wage rate <sup>2</sup> | Burden hours per government entity | Cost per local | Total burden hours | Total burden hour cost <sup>3</sup> |
|-----------------|-------------------------------|------------------------------------|----------------|--------------------|-------------------------------------|
| Sub Total ..... | N/A .....                     | 7 .....                            | 214.77 .....   | 95,542 .....       | 4,719,509.02                        |

These estimates are based upon filers' use of the EEO-4 online filing system to submit reports. The EEOC has made electronic submission much easier for respondents required to file the EEO-4 Report and as a result, more respondents are using this electronic filing method. During the 2019 EEO-4 data collection cycle, 4,988 EEO-4 filers completed and certified their submission. Of the 4,988 EEO-4 filers who submitted data in 2019, 5% uploaded a data file, 91% filed through the online application, and 4% submitted paper records. Electronic filing remains the most efficient, accurate, and secure means of reporting for respondents required to submit the EEO-4 report. Accordingly, the EEOC will continue to encourage EEO-4 filers to submit data through electronic filing, and will only accept paper records from filers who have secured permission to submit data via paper submission.
