

rules consistent with the Exchange's PIP rules and are necessary to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and a national market system.

For the foregoing reasons, the Exchange believes this proposal is a reasonable modification to its rules, designed to facilitate increased interaction of Complex Orders on the Exchange, and to do so in a manner that ensures a dynamic, real-time trading mechanism that maximizes opportunities for trade executions for Complex Orders. The Exchange believes it is appropriate and consistent with the Act to adopt the proposed rule changes.

#### *B. Self-Regulatory Organization's Statement on Burden on Competition*

The Exchange does not believe the proposed rule change represents any undue burden on competition or will impose any burden on competition among exchanges in the listed options marketplace not necessary or appropriate in furtherance of the purposes of the Act. Subject to the priority rules described above, the features of the proposed rule change will apply equally to all Participants and are available to all Participants.

Submitting a Complex Order to the COPIP will be entirely voluntary and Participants will determine whether they wish to submit COPIP Orders to the Exchange. The Exchange operates in a highly competitive marketplace with other competing exchanges and market participants can readily direct their Complex Order flow to other exchanges if they so choose.

The Exchange has neither solicited nor received comments on the proposed rule change.
