SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available

From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Extension: Rule 0-2, Form ADV-NR SEC File No. 270-214, OMB Control No. 3235-0240

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

The title for the collection of information is "Rule 0-2 and Form

ADV-NR under the Investment Advisers Act of 1940." Rule 0-2 and Form ADV-NR facilitate service of process on a non-resident investment adviser, or on a non-resident general partner or non-resident managing agent of an investment adviser. Form ADV-NR designates the Secretary of the Commission, among others, as the non-resident general partner's or non-resident managing agent's agent for service of process. The collection of information is necessary for us to obtain appropriate consent to permit the Commission and other parties to bring actions against non-resident partners and agents for violations of the federal securities laws and to enable the commencement of legal and/or regulatory actions against investment advisers that are doing business in the United States, but are not residents. The respondents to this information collection would be each non-resident general partner or non-resident managing agent of an SEC-registered investment adviser and each non-resident general partner or non-resident managing agent of an exempt reporting adviser. The Commission has estimated that compliance with the requirement to complete Form ADV-NR imposes a total burden of approximately 1.0 hour for an adviser. Based on our experience with these filings, we estimate that we will receive 53 Form ADV-NR filings annually. Based on the 1.0 hour per respondent estimate, the Commission staff estimates a total annual burden of 53 hours for this collection of information.

Rule 0-2 and Form ADV-NR do not require recordkeeping or records retention. The collection of information requirements under the rule and form is mandatory. The information collected pursuant to Rule 0-2 and Form ADV-NR is a filing with the Commission. This filing is not kept confidential and must be preserved until at least three years after termination of the enterprise. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

The public may view background documentation for this information collection at the following website: www.reginfo.gov. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function. Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to (i) www.reginfo.gov/public/do/PRAMain and (ii) David Bottom,

[Release No. 34-89330; File No. SR-BX-2020-014]

Self-Regulatory Organizations; Nasdaq BX, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend BX's Routing Functionality

July 16, 2020.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”), and Rule 19b-4 thereunder, notice is hereby given that on July 2, 2020, Nasdaq BX, Inc. (“BX” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Options 5, Section 4, Order Routing.

The text of the proposed rule change is available on the Exchange's website at <https://listingcenter.nasdaq.com/rulebook/bx/rules>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

⁵ Id.

⁶ 17 CFR 200.30-3(a)(31).

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Options 5, Section 4, Order Routing, in connection with a technology migration to an enhanced Nasdaq, Inc. (“Nasdaq”) functionality which results in higher performance, scalability, and more robust architecture. With this system migration, the Exchange intends to adopt certain trading functionality currently utilized at Nasdaq Exchanges. Specifically, the Exchange proposes to conform BX Routing to Nasdaq Phlx LLC's (“Phlx”) routing rule at Options 5, Section 4, Order Routing.

Today, BX offers the following order types for routing: DNR Order, SEEK Order and SRCH Order. A DNR Order will never be routed outside of the Exchange regardless of the prices displayed by away markets. A SEEK Order may route during and after an Opening Process. Once the SEEK Order rests on the Order Book, it will not be eligible for routing until the next time the option series is subject to a new Opening Process. A SRCH Order may route during and after an Opening Process. A SRCH Order on the Order Book may be routed to an away market if it is locked or crossed by an away market.

This proposal would amend BX Rules to remove the SEEK routing option and, instead, adopt the FIND Order routing option, which is currently available on Phlx. A FIND Order, similar to a SEEK Order, will only attempt to route once and then post to the Order Book. FIND Orders that are not marketable with the ABBO upon receipt, similar to SEEK Orders, will be treated as DNR for the remainder of the trading day and post to the Order Book, and will not be subject to routing even in the event that there is a new Opening Process after a trading halt. If a FIND Order was marketable
