#### §71.1 [Amended]

The incorporation by reference in 14 CFR 71.1 of Federal Aviation Administration Order 7400.9K dated August 30, 2002 and effective September 16, 2002, is proposed to be amended as follows:

Paragraph 6005 Class E airspace areas extending upward from 700 feet or more above the surface of the earth.

### AEA MD E5 Ridgely, MD [NEW]

Ridgely Airpark

(Lat. 35°58′12″ N., long. 75°51′58″ W.)

That airspace extending upward from 700 feet above the surface within a 6-mile radius of Ridgely Airpark, excluding that portion that coincides with the Centerville, MD Class E airspace area.

Issued in Jamaica, New York on December 13, 2002.

#### Richard J. Ducharme,

Assistant Manager, Air Traffic Division, Eastern Region.

National Emission Standards for Hazardous Air Pollutants: Stationary Combustion Turbines, Surface Coating of Metal Cans, and Primary Magnesium Refining

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Notice of availability of proposed rules and changes to public comment periods.

**SUMMARY:** This document is to inform the public that the proposed national emission standards for hazardous air pollutants (NESHAP) for Stationary Combustion Turbines, Surface Coating of Metal Cans, and Primary Magnesium Refining have been signed by the Administrator and are scheduled to be published as proposed rules in the Federal Register within a few weeks. Copies are available on EPA's Web site. We typically allow a 60-day public comment period after publication of proposed NESHAP in the Federal Register; however, we are providing advance notice that when these proposed rules are published in the

**Federal Register**, the comment period will be 30 days after publication.

FOR FURTHER INFORMATION CONTACT: Mr. Keith W. Barnett, Minerals and Inorganic Chemicals Group, Emission Standards Division (C504–05), U.S. EPA, Research Triangle Park, North Carolina 27711, facsimile number (919) 541–5600, telephone number (919) 541–5605, electronic mail barnett.keith@epa.gov.

SUPPLEMENTARY INFORMATION: An electronic copy of today's notice is available on the Worldwide Web through the Technology Transfer Network (TTN). Following the Assistant Administrator's signature, a copy of this notice will be posted on the TTN's policy and guidance page for newly proposed or promulgated rules at http:// /www.epa.gov/ttn/oarpg. In addition, electronic versions of all these proposed NESHAP that are affected by this notice are also currently available on the TTN at http://www.epa.gov/ttn/oarpg/ new.html. The TTN provides information and technology exchange in various areas of air pollution control. If more information regarding the TTN is needed, call the TTN HELP line at (919) 541-5384.

In accordance with section 112(e)(1) of the Clean Air Act (CAA), EPA issued a schedule for promulgation of NESHAP that specified that the NESHAP for Stationary Combustion Turbines, Surface Coating of Metal Cans, and Primary Magnesium Refining were to be promulgated as final rules by November 15, 2000. We are now considerably past that date. In addition, the requirements of section 112(j) of the CAA specify that all sources in these source categories must submit permit applications for case-by-case determinations of the maximum achievable emissions reductions of hazardous air pollutants in the absence of a final rule. It is imperative that these proposed rules be finalized as soon as possible to avoid the unnecessary expenditure of resources by affected sources and permitting authorities.

The proposed NESHAP were signed by the Administrator on November 26, 2002, and were available on the TTN on the same day. Therefore, the proposed NESHAP have been widely available to the public since that time. We do not anticipate that any of the proposed NESHAP will be published in the **Federal Register** prior to December 26, 2002. If we allow a comment period of 30 days from actual publication in the **Federal Register**, the proposed NESHAP will still have been widely available to the public for 60 days or more.

Dated: December 20, 2002.

#### Jeffrey R. Holmstead,

Assistant Administrator for Air and Radiation.

## Pennsylvania Approval of Underground Storage Tank Program

**AGENCY:** Environmental Protection Agency.

ACTION: Proposed rule; notice of tentative determination on Pennsylvania's application for approval of its Underground Storage Tank Program, public hearing and public comment period.

**SUMMARY:** The Commonwealth of Pennsylvania (Commonwealth or State) has applied for approval of its underground storage tank (UST) program under subtitle I of the Resource Conservation and Recovery Act (RCRA). The Environmental Protection Agency (EPA) has reviewed the State's application and has made the tentative determination that the State's UST program satisfies all of the requirements necessary to qualify for approval. The State's application for approval is available for public review and comment. A public hearing will be held to solicit comments on the application unless insufficient public interest is

**DATES:** Unless insufficient public interest is expressed in holding a hearing, a public hearing will be held on February 19, 2003. However, EPA reserves the right to cancel the public hearing if sufficient public interest in a hearing is not communicated to EPA in writing by February 13, 2003. EPA will determine by February 14, 2003, whether there is sufficient interest to warrant a public hearing. The State will participate in any public hearing held by EPA on this subject. All written comments on the State's application for program approval must be received by February 13, 2003.

**ADDRESSES:** Copies of the State's application for program approval are available between 8:30 a.m. to 4 p.m. at the following locations for inspection and copying:

Location: Pennsylvania Department of Environmental Protection, Division of
