[Docket No. CP04-344-000]

Tuscarora Gas Transmission Company; Notice of Application

May 28, 2004.

Take notice that on May 21, 2004, Tuscarora Gas Transmission Company (Tuscarora), 1140 Financial Blvd., Suite 900, Reno, Nevada 89502, filed in Docket No. CP04-344-000 an application pursuant to section 7(c) of the Natural Gas Act (NGA) and part 157 of the Commission's regulations for an order granting a certificate of public convenience to construct and operate compression facilities to provide additional firm transportation for three customers all as more fully set forth in the application which is on file with the Commission and open to public inspection. The filing may also be viewed on the Web at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, call (202) 502-3676 or TTY, (202) 502-8659.

Specifically, Tuscarora seeks authority to construct and operate: (1) A new 8,000 horsepower gas-fired compressor station (Likely Compressor Station) on Tuscarora's mainline near Milepost 81.6 in Modoc County, California; and (2) a new 3,600 horsepower booster compressor unit at its existing Wadsworth Booster Station in Washoe County, Nevada. Tuscarora estimates that the proposed facilities will cost \$16.5 million and will be able to provide 51,753 Dth per day of new firm capacity. Tuscarora requests a Commission order by November 18, 2004 in order to have the proposed facilities in service by the 2005-2006 heating season.

Any questions regarding the application should be directed to Gregory L. Galbraith, Tuscarora Gas Transmission Company, 1140 Financial Blvd., Suite 900, Reno, Nevada 89502,

and phone: 775-834-4292; Fax 775-834-3886.

There are two ways to become involved in the Commission's review of this project. First, any person wishing to obtain legal status by becoming a party to the proceedings for this project should, on or before the comment date, file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, a motion to intervene in accordance with the requirements of the Commission's rules of practice and procedure (18 CFR 385.214 or 385.211) and the regulations under the NGA (18 CFR 157.10). A person obtaining party status will be placed on the service list maintained by the Secretary of the Commission and will receive copies of all documents filed by the applicant and by all other parties. A party must submit 14 copies of filings made with the Commission and must mail a copy to the applicant and to every other party in the proceeding. Only parties to the proceeding can ask for court review of Commission orders in the proceeding.

Persons who wish to comment only on the environmental review of this project, or in support of or in opposition to this project, should submit an original and two copies of their comments to the Secretary of the Commission. Environmental commenters will be placed on the Commission's environmental mailing list, will receive copies of the environmental documents, and will be notified of meetings associated with the Commission's environmental review process. Environmental commenters will not be required to serve copies of filed documents on all other parties. The Commission's rules require that persons filing comments in opposition to the project provide copies of their protests only to the applicant. However, the non-party commenters will not receive copies of all documents filed by other parties or issued by the Commission (except for the mailing of environmental documents issued by the Commission) and will not have the right to seek court review of the Commission's final order.

The Commission strongly encourages electronic filings of comments, protests, and interventions via the Internet in lieu of paper. See 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site (<http://www.ferc.gov>) under the "e-Filing" link.

Comment Date: June 17, 2004.

Viking Gas Transmission Company; Notice of Proposed Changes in FERC Gas Tariff

May 27, 2004.

Take notice that on May 24, 2004, Viking Gas Transmission Company (Viking) tendered for filing its FERC Gas Tariff, First Revised Volume No. 1, the revised tariff sheets listed in Appendix A of the filing to become effective July 1, 2004.

Viking states that during 2003, Northern Plains Natural Gas Company (NPNG) became the new Operator of Viking. Viking explains that it proposes to make numerous housekeeping changes throughout its Tariff associated with the change in operation of Viking.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with sections 385.214 or 385.211 of the Commission's rules and regulations. All such motions or protests must be filed in accordance with section 154.210 of the Commission's regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. This filing is available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the eLibrary. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, please contact FERC Online Support at FERCOnlineSupport@ferc.gov or toll-free at (866) 208-3676, or TTY, contact (202) 502-8659. The Commission strongly encourages electronic filings. See 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site under the e-Filing link.
