

Any person desiring to participate in this rate filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the date as indicated below. Anyone filing an intervention or protest must serve a copy of that document on the Applicant. Anyone filing an intervention or protest on or before the intervention or protest date need not serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 5 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive email notification when a document is added to a subscribed docket(s). [Docket No. CP14-30-000]

Trunkline Gas Company, LLC; Notice of Request Under Blanket Authorization

Take notice that on December 13, 2013, Trunkline Gas Company, LLC (Trunkline), PO Box 4967, Houston,

Texas 77210-4967, filed in Docket No. CP14-30-000, a prior notice request pursuant to sections 157.205 and 157.216(b) of the Commission's Regulations under the Natural Gas Act (NGA) as amended, requesting authorization to abandon in place one 2,000 horsepower (HP) compressor unit (Unit #4103) at its Beeville Compressor Station, located in Bee County, Texas. Trunkline states that Unit #4103 is no longer required to perform the bi-directional services offered at the Beeville Compressor Station, all as more fully set forth in the application which is on file with the Commission and open to public inspection. The filing may also be viewed on the Web at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, please contact FERC Online Support at FERCOnlineSupport@ferc.gov or toll free at (866) 208-3676, or TTY, contact (202) 502-8659.

Any questions concerning this application may be directed to Stephen T. Veatch, Senior Director of Certificates, Trunkline Gas Company, LLC, 1300 Main Street, Houston, Texas 77002, by telephone at (713) 989-2024, by facsimile at (713) 989-1205, or by email at stephen.veatch@energytransfer.com.

Any person or the Commission's staff may, within 60 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to section 157.205 of the regulations under the NGA (18 CFR 157.205), a protest to the request. If no protest is filed within the time allowed therefore, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the allowed time for filing a protest, the instant request shall be treated as an application for authorization pursuant to section 7 of the NGA.

Pursuant to section 157.9 of the Commission's rules, 18 CFR 157.9, within 90 days of this Notice the Commission staff will either: Complete its environmental assessment (EA) and place it into the Commission's public record (eLibrary) for this proceeding, or issue a Notice of Schedule for Environmental Review. If a Notice of Schedule for Environmental Review is issued, it will indicate, among other milestones, the anticipated date for the Commission staff's issuance of the final

environmental impact statement (FEIS) or EA for this proposal. The filing of the EA in the Commission's public record for this proceeding or the issuance of a Notice of Schedule for Environmental Review will serve to notify federal and state agencies of the timing for the completion of all necessary reviews, and the subsequent need to complete all federal authorizations within 90 days of the date of issuance of the Commission staff's FEIS or EA.

Persons who wish to comment only on the environmental review of this project should submit an original and two copies of their comments to the Secretary of the Commission. Environmental commenter's will be placed on the Commission's environmental mailing list, will receive copies of the environmental documents, and will be notified of meetings associated with the Commission's environmental review process. Environmental commenter's will not be required to serve copies of filed documents on all other parties. However, the non-party commentary, will not receive copies of all documents filed by other parties or issued by the Commission (except for the mailing of environmental documents issued by the Commission) and will not have the right to seek court review of the Commission's final order.

The Commission strongly encourages electronic filings of comments, protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and five copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street NE., Washington, DC 20426.

Proposed Information Collection Request; Comment Request; The SunWise Program

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The Environmental Protection Agency is planning to submit an information collection request (ICR) for

“The SunWise Program” (EPA ICR No. 1904.08, OMB Control No. 2060–0439) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*). Before doing so, EPA is soliciting public comments on specific aspects of the proposed information collection as described below. This is a proposed extension of the ICR, which is currently approved through June 30, 2014. An Agency may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

DATES: Comments must be submitted on or before March 3, 2014.

ADDRESSES: Submit your comments, referencing Docket ID No. EPA–OAR–2007–0069 online using www.regulations.gov (our preferred method), by email to a-and-rdocket@epa.gov or by mail to: EPA Docket Center, Environmental Protection Agency, Mail Code 28221T, 1200 Pennsylvania Ave. NW., Washington, DC 20460.

EPA’s policy is that all comments received will be included in the public docket without change including any personal information provided, unless the comment includes profanity, threats, information claimed to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute.

FOR FURTHER INFORMATION CONTACT:

Robert Burchard, Stratospheric Protection Division, Office of Atmospheric Programs (6205J), Environmental Protection Agency, 1200 Pennsylvania Ave. NW., Washington, DC 20460; telephone number (202) 343–9126; fax number: (202) 343–2338; email address: burchard.robert@epa.gov.

SUPPLEMENTARY INFORMATION:

Supporting documents which explain in detail the information that the EPA will be collecting are available in the public docket for this ICR. The docket can be viewed online at www.regulations.gov or in person at the EPA Docket Center, WJC West, Room 3334, 1301 Constitution Ave. NW., Washington, DC. The telephone number for the Docket Center is 202–566–1744. For additional information about EPA’s public docket, visit <http://www.epa.gov/dockets>.

Pursuant to section 3506(c)(2)(A) of the PRA, EPA is soliciting comments and information to enable it to: (i) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Agency, including

whether the information will have practical utility; (ii) evaluate the accuracy of the Agency’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (iii) enhance the quality, utility, and clarity of the information to be collected; and (iv) minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses. EPA will consider the comments received and amend the ICR as appropriate. The final ICR package will then be submitted to OMB for review and approval. At that time, EPA will issue another **Federal Register** notice to announce the submission of the ICR to OMB and the opportunity to submit additional comments to OMB.

Abstract: The SunWise Program is a school and community-based sun safety education program for children grades K–8. The Program’s objective is to reduce the incidence of, and morbidity and mortality from skin cancer, cataracts, and other UV-related health effects in the United States. The following collection of information will be used for both program material distribution and determining program effectiveness and participant satisfaction:

- A SunWise Program participant registration form;
- A participating-teacher survey, measuring experience with the Program;
- A participating-student survey identifying sun safety knowledge before and after participation in the Program;
- Follow-up phone interviews with teachers who complete the survey;
- A SunWise *Don’t Fry Day* pledge form;
- Sun Safety Certification Tutorial questions (for community organizations participating in the SunWise program); and a

- Pretest of a SunWise partner survey *Form Numbers:* None.

Respondents/affected entities: Elementary and middle school students and educators, recreation workers, and health educators.

Respondent’s obligation to respond: Voluntary.

Estimated number of respondents: 8,980.

Frequency of response: Annual.

Total estimated burden: 1,632 hours per year. Burden is defined as 5 CFR 1320.03(b).

Total estimated cost: \$107,172.45 per year, which includes no annualized

capital or operation & maintenance costs.

Changes in Estimates: There is no change in the average annual burden hours currently identified in the OMB Inventory of Approved ICR Burdens.

Dated: December 18, 2013.

Clean Water Act; Contractor Access to Confidential Business Information

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of Intended Transfer of Confidential Business Information to Contractor, Subcontractors, and Consultants.

SUMMARY: The Environmental Protection Agency (EPA’s) has authorized Abt Associates, Inc. (Abt), its subcontractors, and its consultants to access confidential business information (CBI) collected from numerous industries. Transfer of this information is necessary for Abt to assist EPA in the preparation of effluent guidelines and standards for certain industries.

In accordance with 40 CFR § 2.302(h), we have determined that the contractors listed below require access to CBI submitted to EPA under Section 308 of the Clean Water Act (CWA) and in connection with other programs listed below. Therefore, we are providing notice and an opportunity to comment to the affected submitters of information. The nature of the work and its necessity, and the type of access granted, is described below for each contractor. Information has been provided to this contractor under a previous agreement since May 30, 2007.

Transfer of the information to Abt will allow the contractor and subcontractors to support EPA in the planning, development, and review of effluent limitations guidelines and standards under the CWA. The information being transferred was or will be collected under the authority of Section 308 of the CWA. Some information being transferred from the pulp, paper, and paperboard industry was collected under the additional authorities of Section 114 of the Clean Air Act and Section 3007 of the Resource Conservation and Recovery Act.
