Environmental Statements; Notice of Intent: Great Falls Park, VA; General Management Plan

AGENCY: National Park Service.

ACTION: Notice of Intent of a General Management Plan/Environmental Impact Statement, Great Falls Park, Virginia.

SUMMARY: In accordance with section 102(2)(c) of the National Environmental Policy Act of 1969, the National Park Service (NPS) is preparing an Environmental Impact Statement (EIS) to assess the impacts of alternative management strategies as part of a General Management Plan (GMP) for Great Falls Park, Virginia, a unit within George Washington Memorial Parkway.

The planning effort will result in a comprehensive GMP that encompasses preservation of cultural and natural resources, visitor use and interpretation, and necessary and appropriate facilities. In cooperation with local interests, attention will also be given to resources outside the boundaries that affect the integrity of the park. Alternatives to be considered include no-action, the preferred alternative, and other alternatives addressing the following major issues:

- How can the important natural and cultural resources be best protected and preserved, while providing for visitor use for present and future generations?
- What level and type of use is appropriate to be consistent with the

park's purpose, and to relate to the park's significance?

- What facilities are needed to meet the mission goals of the park regarding natural and cultural resources management, visitor use and interpretation, partnerships, and operations?

Public Involvement: Public involvement will be a key component in the preparation of the GMP/EIS. The NPS will be holding a public scoping meeting in the evening sometime during the months of November 2002, December 2002 or January 2003 at the Great Falls Visitors Center, to provide to the public an opportunity to present your ideas, questions, and concerns directly to the planning team.

The purpose of this meeting is to determine the concerns/issues that should be addressed in the GMP/EIS. Individuals unable to attend the scoping meetings may request information from the Superintendent, George Washington Memorial Parkway at the address listed below, or by checking our homepage on the Internet at the following address: <http://www.nps.gov/grfa/>.

Comments: If you wish to submit issues or provide input to this initial phase of developing the GMP, you may do so by any one of several methods. In addition to attending scoping meetings, you may mail comments to: Audrey F. Calhoun, Superintendent, George Washington Memorial Parkway, c/o Turkey Run Park, McLean, Virginia 22101. Scoping comments should be received no later than 60 days from the publication of this Notice of Intent. Our practice is to make comments, including names and home addresses of respondents, available for public review during regular business hours. Individual respondents may request that we withhold their home addresses from the record, which we will honor to the extent allowable by law. There also may be circumstances in which we would withhold from the record a respondent's identity, as allowable by law. If you wish us to withhold your name and/or address, you must state this prominently at the beginning of your

comment. However, we will not consider anonymous comments. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, available for public inspection in their entirety.

Notice of Intent To Repatriate Cultural Items: California Department of Parks and Recreation, Sacramento, CA

AGENCY: National Park Service, Interior.

ACTION: Notice.

Notice is hereby given under the Native American Graves Protection and Repatriation Act (NAGPRA), 25 U.S.C. 3005, Sec. 7, of the intent to repatriate cultural items in the possession of the California Department of Parks and Recreation, Sacramento, CA, that meet the definition of "sacred objects" under 25 U.S.C. 3001.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 25 U.S.C. 3003, Sec. 5(d)(3). The determinations within this notice are the sole responsibility of the museum, institution, or Federal agency that has control of these cultural items. The National Park Service is not responsible for the determinations within this notice.

Accession documents and information obtained in conversation with former California Department of Parks and Recreation (DPR) employees indicate that the sacred objects were taken from the ceremonial dance house at the Sulphur Bank Rancheria without permission from the Sulphur Bank community. About 1958, these cultural items were donated anonymously to the State of California Department of Natural Resources Division of Beaches and Parks, now Department of Parks and Recreation.

The 59 cultural items consist of regalia used in performing ceremonies related to the Maru Cult or Big Head

Dance of the Pomo Indians. The claimed objects include 11 men's shirts, 3 women's skirts, 2 women's blouses, 7 women's dresses, 13 sashes, 17 patches, 2 bands, 3 flashers, and 1 cloth worn by ceremonial leaders and singers. Use of this type of clothing dates to the early 1870s when religious movements with various origins were active in Pomoan and other native communities throughout Northern California. A central belief of the religion is the power of spiritually significant dreaming. Certain gifted individuals, known as Maru or "Dreamers" by the Pomo, are the recipients of special dreams. These Maru are gifted with the ability to dream the rules of the "Bid Head" Ceremony, the way each should be performed, and what the regalia is made from, as well as how the regalia is put together.

The specific patterns applied to the clothing and other accessories associated with ceremonial dances, such as the Big Head Dance and the Ball Dance, were patterns that the Maru had seen in his or her dream. The materials requested for repatriation appear to include items from two dreamers, Sarah Brigham and Elvy Patch, both of whom died in 1949 or before. Irvin Miranda, grandson of Sarah Brigham, recently identified some items in the collection as having his grandmother's design pattern (red heart and cross with a blue border of triangles facing inward). This dance regalia, ornamented with dream patterns, was used only for ceremonial occasions and was generally kept in the ceremonial dance house when not in use. The fact that they are decorated with patterns derived from a Maru's dream endows them with spiritual character.

In consultation with representatives of the Elem Indian Colony of Pomo Indians of the Sulphur Bank Rancheria, California, including traditional religious leaders and current Maru, Robert Geary, it has been determined that these objects are integral to present-day religious traditions associated with the Maru beliefs.

Officials of the California Department of Parks and Recreation have determined that, pursuant to 25 U.S.C. 3001, Sec. 2 (3)(C), these cultural items are specific ceremonial objects needed by traditional Native American religious leaders for the practice of traditional Native American religions by their present-day adherents. Officials of the California Department of Parks and Recreation also have determined that pursuant to 25 U.S.C. 3001, Sec. 2(2), there is a relationship of shared group identity that can be reasonably traced between these sacred objects and the

Elem Indian Colony of Pomo Indians of the Sulphur Bank Rancheria, California.

Representatives of any other Indian tribe that believes itself to be culturally affiliated with these sacred objects should contact Paulette Hennum, NAGPRA Coordinator, Cultural Resources Division, California State Parks, P.O. Box 942896, Sacramento, CA 94296-0001, telephone (916) 653-7976 before January 23, 2003. Repatriation of these sacred objects to the Elem Indian Colony of Pomo Indians of the Sulphur Bank Rancheria, California may begin after that date if no additional claimants come forward.

The California Department of Parks and Recreation is responsible for notifying the Elem Indian Colony of Pomo Indians of the Sulphur Bank Rancheria, California that this notice has been published.

Dated: October 30, 2002.

Robert Stearns,

Manager, National NAGPRA Program.
