

(LTC/MDS 09-70-1517), and submit their reply file to SSA no later than 21 days after receipt of the SSA finder file. The Title VIII benefit information is included in the SSI system of records and is paid using SSA's SSI automated system. The indicator identifying Title VIII claims resides on the SSR, SSA/ODSSIS 60-0103, though it is not an SSI payment. Routine Use Number 19, effective January 11, 2006, allows disclosure to Federal, State or local agencies for administering cash or non-cash income maintenance or health maintenance programs.

The Finder File that SSA will furnish to CMS will contain approximately 6½ million records of recipients of SSI and SVB. CMS's Reply File will contain the matched records. Each matched record will include a certain number of relevant MDS CMS appended records. CMS will provide SSA with the Provider of Service Information on the facilities involved in the match (e.g., provider name, address, telephone number, date of admission, date of discharge, projected length of stay, and payment source). The number of records for individuals returned to SSA will approximate 25,000 monthly.

SSA will provide the Finder File to CMS as often as monthly. CMS will submit its Reply File to SSA no later than 21 days after receipt of the SSA Finder File.

This matching program employs systems which contain Protected Health Information (PHI) as defined by HHS regulation "Standards for Privacy of Individually Identifiable Health Information" (45 CFR 160 and 164, Subparts A and E) (65 FR 82462 (Dec. 28, 2000)). Disclosures of PHI authorized by these routine uses may only be made if, and as permitted, or required by the "Standard for Privacy of Individually Identifiable Health Information".

E. INCLUSIVE DATES OF THE MATCHING PROGRAM

The matching program will become effective no sooner than 40 days after notice of the matching program is sent to Congress and the Office of Management and Budget, or 30 days after publication of this notice in the **Federal Register**, whichever date is later. The matching program will continue for 18 months from the effective date and may be extended for an additional 12 months thereafter, if certain conditions are met.
