The technical amendments will update the current list of self-regulatory organizations (“SROs”) and government jurisdictions listed on Form BD and Form BDW, and make conforming changes to the definition of “jurisdiction” in the forms.

On February 2, 2023, Western Display Fireworks, LTD notified the Coast Guard that it will be conducting a fireworks display from 10 to 10:30 p.m. on June 24, 2023. The fireworks are to be launched from a site on land in the Umatilla Marina, OR. Hazards from firework displays include accidental discharge of fireworks, dangerous projectiles, and falling hot embers or other debris. The Captain of the Port Columbia River (COTP) has determined that potential hazards associated with the fireworks would be a safety concern for anyone within a 400-foot radius of the launch site before, during, or after the fireworks display.
