The rule does not impose any new reporting, recordkeeping, or compliance requirements.

There are no practical alternatives that will accomplish the objectives of the statute.

VIII. Paperwork Reduction Act

Acquisition Regulation for consistency.

SUPPLEMENTARY INFORMATION:

I. Background

Federal Acquisition Regulation (FAR)
subpart 19.12, Small Disadvantaged
Business Participation Program, and all
references to it, were removed from the
FAR on October 14, 2014 (FAR Case
2009-016, 79 FR 61746). This removal
followed a Federal court ruling that
declared 10 U.S.C. 2323
unconstitutional. FAR subpart 19.12
derived its authority solely from 10
U.S.C. 2323, thus necessitating its
removal. While removal from the FAR
was made, no conforming changes were
made to the General Services
Administration Acquisition Regulation
(GSAR). Upon routine regulatory review
of the GSAR, this discrepancy was
observed and removal was determined
necessary. This final rule aligns the
GSAR with the FAR.

To summarize, GSAR subpart 519.12
is removed and reserved for future use.
All mentions of GSAR subpart 519.12
are also removed, as well as
corresponding mentions to FAR subpart
19.12 and corresponding clauses, which
have been removed from the FAR.
Changes made are as follows:
