By design, the GreenGov Symposium helps the Federal community save energy, save money, and address sustainability goals and targets under Executive Order 13514, "Federal Leadership in Environmental, Energy, and Economic Performance." Title; Associated Form; and OMB Number: Pentagon/Mark Center Food Satisfaction Survey; OMB Control Number 0703-TBD.

Needs and Uses: The Memorandum of Agreement (MOA) between the Department of Defense Concessions Committee (DoDCC) and the Navy Exchange Service Command (NEXCOM), dated 01 January 2014 contracts the Navy Exchange Service Command to manage and run food operations in the Pentagon and Mark Center. As part of the MOA, NEXCOM is required to conduct periodic

customer satisfaction surveys to assess food service operator performance. The survey is also critical to identifying deficiencies in food operator performance, hygiene or safety. The survey provides valuable customer feedback which is used to evaluate the performance of food vendors.

Affected Public: Individuals or Households.

Annual Burden Hours: 333.

Number of Respondents: 2000.

Responses Per Respondent: 1.

Average Burden Per Response: 10 minutes.

Frequency: Annual.

Respondents are the customers of the food outlets at the Pentagon and Mark Center managed by NEXCOM for the DoDCC. The feedback gained from the survey is critical to providing our customers the Pentagon and Mark Center with enjoyable and healthy food options. It is a best business practice for food service companies to conduct frequent or ongoing feedback from their customers. Because NEXCOM uses multiple food vendors, it is critical that the questions asked be consistent, and that the time period for collection of the feedback be the same.

Notice of Availability of a Draft Supplemental Environmental Impact Statement/Supplemental Overseas Environmental Impact Statement for Surveillance Towed Array Sensor System Low Frequency Active (SURTASS LFA) Sonar

AGENCY: Department of the Navy, DoD.

ACTION: Notice.

SUMMARY: Pursuant to the National Environmental Policy Act as implemented by the Council on Environmental Quality regulations (40 CFR parts 1500-1508) and Executive Order 12114, the Department of the Navy (DoN) has prepared and filed with the U.S. Environmental Protection Agency (USEPA) a Draft Supplemental Environmental Impact Statement/Supplemental Overseas Environmental Impact Statement (Draft SEIS/SOEIS) to analyze the potential impact of SURTASS LFA sonar on the five common bottlenose dolphin stocks

comprising the Hawaiian Islands Stock Complex (Kauai/Niihau, Oahu, 4-Islands, Hawaii Island, and Hawaii Pelagic). USEPA published their notice of availability of the SURTASS LFA sonar draft supplement on October 24, 2014 (79 FR 63622).

DATES: Public comment period will end on December, 8, 2014.

ADDRESSES: Written comments on the SURTASS LFA Sonar Draft SEIS/SOEIS should be addressed to: SURTASS LFA Sonar SEIS/SOEIS Program Manager, 4201 Wilson Blvd. #110-185, Arlington, Virginia 22203; or email: eisteam@surtass-lfa-eis.com.

FOR FURTHER INFORMATION CONTACT: Chief of Naval Operations, Code N2/N6F24, c/o SURTASS LFA Sonar SEIS/SOEIS Program Manager, 4201 Wilson Blvd. #110-185, Arlington, Virginia 22203; or email: eisteam@surtass-lfa-eis.com.

SUPPLEMENTARY INFORMATION: Although the most recent Final SEIS/SOEIS for SURTASS LFA sonar was completed in June 2012, during subsequent litigation (*Natural Resources Defense Council, Inc. et al. v. Pritzger et al.*, No. 12-cv-05380-EDL [E.D. Cal. October 18, 2012]), the court found that the SEIS/SOEIS was deficient in one limited respect in that the DoN failed to use the best available data from the 2010 Pacific Stock Assessment Report to analyze the potential impact of SURTASS LFA sonar on the individual stocks that comprise the Hawaiian Islands Stock Complex of common bottlenose dolphins. The court upheld the current SEIS/SOEIS in all other respects. The Draft SEIS/SOEIS in this notice was prepared for the limited purpose of addressing the single deficiency identified by the court.

The Draft SEIS/SOEIS has been distributed to appropriate Federal and state government agencies and officials and other interested parties. In addition, copies of the Draft SEIS/SOEIS have been distributed to the following regional libraries for public review:

1. Hawaii Documents Center, Hawaii State Library, 478 South King St, Honolulu, HI 96813.
