Substance Abuse and Mental Health Services Administration

Center for Substance Abuse Prevention; Notice of Meeting

Pursuant to Public Law 92-463, notice is hereby given for the meeting of the Substance Abuse and Mental Health Services Administration's (SAMHSA) Center for Substance Abuse Prevention National Advisory Council (CSAP NAC) on February 24, 2021.

The Council was established to advise the Secretary, Department of Health and Human Services (HHS); the Assistant Secretary for Mental Health and Substance Use, SAMHSA; and Director, CSAP concerning matters relating to the activities carried out by and through the Center and the policies respecting such activities.

The meeting will be open to the public and will include the discussion of substance use prevention priorities. The meeting will also include updates on CSAP program developments.

The meeting will be held via webcast and phone only. Attendance by the public on-site will not be available. Interested persons may present data, information, or views, orally or in writing, on issues pending before the Council. Written submissions should be forwarded to the contact person on or before one week prior to the meeting. Oral presentations from the public will be scheduled at the conclusion of the meeting. Individuals interested in making oral presentations should notify the contact on or before one week prior to the meeting. Up to five minutes will be allotted for each presentation.

To participate in the meeting, submit written or brief oral comments, or request special accommodations for persons with disabilities, please register at the SAMHSA Committees' website, <https://snacregister.samhsa.gov/MeetingList.aspx>, or communicate with the CSAP Council's Designated Federal Officer (see contact information below).

Substantive program information may be obtained after the meeting by accessing the SAMHSA Committee website, <https://www.samhsa.gov/about-us/advisory-councils>, or by contacting the Designated Federal Officer.

Federal Emergency Management Agency

[Docket ID FEMA-2020-0033; OMB No. 1660-0026]

Agency Information Collection Activities: Submission for OMB Review; Comment Request; State Administrative Plan for the Hazard Mitigation Program

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: 30-Day notice and request for comments.

SUMMARY: The Federal Emergency Management Agency (FEMA), as part of its continuing effort to reduce paperwork and respondent burden, invites the general public to take this opportunity to comment on a reinstatement, without change, of a previously approved information collection for which approval has expired. FEMA will submit the information collection abstracted below to the Office of Management and Budget for review and clearance in accordance with the requirements of the Paperwork Reduction Act of 1995. The submission will describe the nature of the information collection, the categories of respondents, the estimated burden (*i.e.*, the time, effort and resources used by respondents to respond) and cost, and the actual data collection instruments FEMA will use.

DATES: Comments must be submitted on or before March 12, 2021.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open

for Public Comments" or by using the search function.

FOR FURTHER INFORMATION CONTACT:

Requests for additional information or copies of the information collection should be made to Director, Information Management Division, 500 C Street SW, Washington, DC 20472, email address FEMA-Information-Collections-Management@fema.dhs.gov or Roselyn Brown-Frei, Section Chief, Hazard Mitigation Division, Federal Insurance and Mitigation Administration, FEMA, Roselyn.brown-frei@fema.dhs.gov, 202-924-7198.

SUPPLEMENTARY INFORMATION: This proposed information collection previously published in the **Federal Register** on November 9, 2020, at 85 FR 71351 with a 60 day public comment period. FEMA received two comments (see <https://beta.regulations.gov/comment/FEMA-2020-0033-0002>). One comment was unrelated to the information collection or hazard mitigation. The second comment related to hazard mitigation generally but was not specific to this information collection. The commenter urged that States should address potentially disastrous and readily recognizable conditions in a plan and have the condition corrected before a disaster occurs. The commenter also urged that States do so before underwriting any disaster relief plan. The commenter concluded that any State applying for relief should, at a minimum, submit a plan, which should also be subject to review of basic stewardship verification principals outside the written plan documents.

In response, FEMA reiterates that FEMA regulations in 44 CFR 206.437 require development and updates to the State Administrative Plan by State Applicants/Recipients as a condition of receiving HMGP funding under section 404 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. 5170c. The State Administrative Plan is a procedural guide that details how the State administers the HMGP. The State, Territory, or Indian Tribal government (who acts as a recipient) must have a current administrative plan approved by the appropriate FEMA Regional Administrator before receiving HMGP funds. The administrative plan may take any form including a chapter within a comprehensive State mitigation program strategy. Additionally, States, Territories, and Indian Tribal governments are required to have an approved hazard mitigation plan as outlined in 44 CFR part 201. This hazard mitigation planning process
