

pursuant to Commission Rule 210.14(b)(1) (19 CFR 210.14(b)(1)), there was good cause to add the respondents because the first thirteen respondents are subsidiaries of named respondents and including these respondents will ease the discovery process. In addition, the ALJ found that Ansell (Thailand) should be a respondent, because the Touch N Tuff Powder Free nitrile gloves are within the scope of the investigation. Finally, the ALJ found that Tillotson only recently discovered that Delta Medical Supply Group is not related to the named respondent Delta Medical Systems. No petitions for review of this ID were filed.

Having examined the record of this investigation, the Commission has determined not to review the ALJ's ID.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in § 210.42 of the Commission's Rules of Practice and Procedure (19 CFR 210.42).

Issued: October 11, 2007.

By order of the Commission.

William R. Bishop,

Secretary to the Commission.
