

Program allocatees are required to report their activities for the entire period of their tax credit allocation period (over approximately seven years). The BEA Program has no such performance data reporting requirement. Should the CDFI Fund require BEA Awardees to report their performance activities annually through CIIS? How many years should BEA Awardees be required to report such data?

(ii) The BEA Application Report of Transactions spreadsheet includes a field for Applicants to report impacts for Distressed Community Financing Activities. Currently, this reporting request is optional for Applicants. Should the Fund require Applicants to report the estimated impact for each Qualifying Activity submitted for award consideration? Should the Fund revise the current definitions of the Distressed Community Financing Activity impacts? If so, please provide relevant impact definitions for the current Qualifying Activities.

(2) *Eligible CDFI Partners*: Currently, the CDFI Fund requires eligible CDFI Partners to submit BEA Signature Pages and Distressed Community maps for each funding round in which they receive support through an Applicant's CDFI Related Activities. Should the CDFI Fund consider all certified CDFIs as eligible CDFI Partners, and eliminate all or any CDFI Partner submission requirements?

(3) *Calculating the Estimated Award Amount*: The Interim Rule describes the process for selecting Applicants to receive BEA Program awards and determining award amounts. Currently there is no minimum amount for BEA awards. Should the CDFI Fund establish a minimum award threshold? If so, what should it be?

DEPARTMENT OF VETERANS AFFAIRS

Privacy Act of 1974; System of Records

AGENCY: Department of Veterans Affairs.

ACTION: Notice of Amendment of System of Records; correction.

SUMMARY: The Department of Veterans Affairs (VA) published a notice in the **Federal Register** on May 8, 2008 (73 FR 26192), amending a system of records by renaming and renumbering the system. The document inadvertently contained two typographical errors, and this document corrects those errors.

DATES: *Effective Date:* This correction is effective June 4, 2008.

FOR FURTHER INFORMATION CONTACT:

Stephanie H. Putt, Veterans Health Administration (VHA), Privacy Officer, Department of Veterans Affairs, 810 Vermont Avenue, NW., Washington, DC 20420, (704) 245-2492.

SUPPLEMENTARY INFORMATION: We published an amendment to a system of records formerly entitled "Healthcare Eligibility Records-VA" (89VA19) on May 8, 2008 (73 FR 26192). That document renamed and renumbered the system of records to "Income Verification Records-VA" (89VA16), as well as revised the "Description of Systems of Records"; "Routine Use Disclosures of Data in the System"; "Categories of Records in the System"; "Routine Uses of Records Maintained in the System"; and "Retrievability." In one place we inadvertently omitted the new system number after the new title and in two other places the old system number appears. This document corrects those errors.

In FR Doc. E8-10230 published on May 8, 2008 (73 FR 26192), make the following corrections:

On page 26193, first column, in the paragraph entitled "I. Description of Revised System of Records" insert the new system number "(89VA16)" after the end quote mark of "Income Verification Records-VA" (89VA16). On the same page, third column, immediately above and below the SYSTEM NAME heading remove "89VA19" and add, in each place, "89VA16".

Dated: May 29, 2008.

Robert C. McFetridge,

Assistant to the Secretary for Regulation Policy and Management.
