

to act as the Sector Commander's official representative; and will be located aboard the lead official patrol vessel. As the Sector Commander's representative, the PATCOM may terminate the event any time it is deemed necessary for the protection of life and property. PATCOM may be reached on VHF-FM Channel 13 (156.65MHz) or 16 (156.8MHz) when required, by the call sign "PATCOM." The Patrol Commander may, upon request, allow the transit of commercial vessels through regulated areas when it is safe to do so. The Coast Guard may be assisted by other Federal, state, or local agencies.

This notice of enforcement is issued under authority of 33 CFR 100.1104 and 5 U.S.C. 552(a). In addition to this notification of enforcement in the **Federal Register**, the Coast Guard will provide the maritime community with advance notification of this enforcement period via a Marine Safety Information Bulletin (MSIB) and a Broadcast Notice to Mariners (BNM). If the Captain of the Port Los Angeles Long Beach determines that the Special Local Regulations need not to be enforced for the full duration stated in this notice, the Captain of the Port may use a Broadcast Notice to Mariners to reflect the change.

Dated: December 3, 2024.

Stacey L. Crecy,

Captain, U.S. Coast Guard, Captain of the Port Los Angeles—Long Beach.

BILLING CODE 9110–04–P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket No. USCG–2024–0998]

Safety Zone; Los Angeles County Annual New Years Eve Fireworks Event

AGENCY: Coast Guard, DHS.

ACTION: Notification of enforcement of regulation.

SUMMARY: The Coast Guard will enforce safety zones for the Los Angeles County Holiday Fireworks on December 14, 2024, and the Los Angeles County New Years Eve Fireworks on December 31, 2024 through January 1, 2025. These safety zones are to provide for the safety of life and property on the navigable waterways during these events. Our regulation for firework events within the Los Angeles Long Beach Captain of the

Port Zone identifies the regulated areas for these firework events in Marina del Rey, CA. During the enforcement periods, the operator of any vessel in the regulated area must comply with directions from the Patrol Commander or any Official Patrol displaying a Coast Guard ensign.

DATES: The regulations in 33 CFR 165.1125 will be enforced for the locations identified in Table 1 to § 165.1125 Item Number 14, from 5:30 p.m. to 6:30 p.m. on December 14, 2024, and Item Number 15, from 8:00 p.m. on December 31, 2024, through 1:00 a.m. on January 1, 2025.

FOR FURTHER INFORMATION CONTACT: If you have questions about this notification of enforcement, call or email LCDR Kevin Kinsella, U.S. Coast Guard; telephone 310–521–3860, email *D11-SMB-SectorLALB-WWM@uscg.mil*.

SUPPLEMENTARY INFORMATION: The Coast Guard will enforce the safety zones in 33 CFR 165.1125 for the Los Angeles County Holiday Fireworks regulated area in Item Number 14 of Table 1 to § 165.1125 from 5:30 p.m. to 6:30 p.m. on December 14, 2024 and for the New Years Eve Fireworks regulated area in Item Number 15 of Table 1 to § 165.1125 from 8:00 p.m. on December 31, 2024, to 1:00 a.m. on January 1, 2025. This action will be taken to provide for the safety of life on navigable waterways during the events. Our regulation for fireworks events within the Los Angeles Long Beach Captain of the Port Zone, Table 1 to § 165.1125, Item Numbers 14 and 15, specifies the location of the regulated areas for the Los Angeles County Holiday Fireworks and the New Years Eve Fireworks, which encompasses portions of Marina del Rey. During the enforcement periods, § 165.1125 requires operators of a vessel in the regulated area to comply with directions from the Patrol Commander or Official Patrol, defined as any Coast Guard or other Federal, state, or local law enforcement assisting the Coast Guard in enforcing the regulated area.

In addition to this notification of enforcement in the **Federal Register**, the Coast Guard plans to provide notification of this enforcement period via a Marine Safety Information Bulletin (MSIB) and a Broadcast Notice to Mariners (BNM).

Dated: December 3, 2024.

Stacey L. Crecy,

Captain, U.S. Coast Guard, Captain of the Port Los Angeles-Long Beach.

Coast Guard

33 CFR Part 165

[Docket Number USCG–2024–1025]

RIN 1625–AA00

Safety Zone; Queensway Bay, Long Beach, CA

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for the navigable waters of Queensway Bay. The safety zone is needed to protect personnel, vessels, and the marine environment from potential hazards created by a fireworks display. Entry of vessels or persons into this zone is prohibited unless specifically authorized by the Captain of the Port Los Angeles-Long Beach.

DATES: This rule is effective from 11 p.m. on December 31, 2024, through 12:30 a.m. January 1, 2025.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <https://www.regulations.gov>, type USCG–2024–1025 in the search box and click "Search." Next, in the Document Type column, select "Supporting & Related Material."

FOR FURTHER INFORMATION CONTACT: If you have questions about this rule, call or email Lieutenant Commander Kevin Kinsella, U.S. Coast Guard Sector Los Angeles-Long Beach, Chief, Waterways Management Division; telephone (310) 521–3861, email *D11-SMB-SectorLALB-WWM@uscg.mil*.

SUPPLEMENTARY INFORMATION:

I. Table of Abbreviations

CFR Code of Federal Regulations
DHS Department of Homeland Security
FR Federal Register
NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule under the authority in 5 U.S.C. 553(b)(B). This statutory provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." The Coast Guard finds that good cause exists for not publishing a

notice of proposed rulemaking (NPRM) with respect to this rule because the Coast Guard did not receive sufficient notice of this fireworks event in time to publish an NPRM. We must establish this safety zone by December 31, 2024 to protect personnel, vessels, and the marine environment from potential hazards created by the fireworks display. Accordingly, it is impracticable to publish an NPRM because we lack sufficient time to provide a reasonable comment period and then consider those comments before issuing the rule.

Also, under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be impracticable because prompt action is needed to ensure potential safety hazards associated with fireworks do not impact the safety of the public and the marine environment.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034. The Captain of the Port Los Angeles-Long Beach (COTP) has determined that potential hazards associated with a fireworks event on December 31, 2024, will be a safety concern for anyone within Queensway Bay. This rule is needed to protect personnel, vessels, and the marine environment in the navigable waters within the safety zone during the fireworks event.

IV. Discussion of the Rule

This rule establishes a safety zone from 11 p.m. on December 31, 2024, through 12:30 a.m. on January 1, 2025. The safety zone will cover all navigable waters within 500 feet of the fireworks launch site. The duration of the zone is intended to protect personnel, vessels, and the marine environment in these navigable waters during the fireworks event. No vessel or person will be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is

necessary, to select regulatory approaches that maximize net benefits. This rule has not been designated a “significant regulatory action,” under section 3(f) of Executive Order 12866, as amended by Executive Order 14094 (Modernizing Regulatory Review). Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB).

This regulatory action determination is based on the size, location, duration and time-of-day of the safety zone. This safety zone will impact a small, designated area during the evening when vessel traffic is normally low. Moreover, the Coast Guard would issue a Broadcast Notice to Mariners via VHF-FM marine channel 16 about the zone, and the rule would allow vessels to seek permission to enter the zone.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A. above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by

employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or Tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human

environment. This rule involves a safety zone lasting only two and a half hours that will prohibit entry within 500 feet of the fireworks launch site within Queensway Bay. It is categorically excluded from further review under paragraph L60(a) of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1. A Record of Environmental Consideration supporting this determination is available in the docket. For instructions on locating the docket, see the **ADDRESSES** section of this preamble.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places, or vessels.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

- 1. The authority citation for part 165 continues to read as follows:

Authority: 46 U.S.C. 70034, 70051, 70124; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 00170.1, Revision No. 01.3.

- 2. Add § 165.T11–191 to read as follows:

§ 165.T11–191 Safety Zone; Queensway Bay, Long Beach, CA.

(a) *Location.* The following area is a safety zone: All waters of Queensway Bay, from surface to bottom, encompassed by a line connecting the points creating a 500-foot radius around the launch site located at 33°45′06.8″ N, 118°11′13.7″ and along the shoreline back to the beginning point. These coordinates are based on the WGS 84 datum.

(b) *Definitions.* As used in this section, designated representative means a Coast Guard Patrol Commander, including a Coast Guard coxswain, petty officer, or other officer operating a Coast Guard vessel and a Federal, State, and local officer designated by or assisting the Captain of the Port Los Angeles-Long Beach

(COTP) in the enforcement of the safety zone.

(c) *Regulations.* (1) Under the general safety zone regulations in subpart C of this part, you may not enter the safety zone described in paragraph (a) of this section unless authorized by the COTP or the COTP's designated representative.

(2) To seek permission to enter, contact the COTP or the COTP's representative by VHF–FM Channel 13 (156.65 MHz) or 16 (156.8 MHz). Those in the safety zone must comply with all lawful orders or directions given to them by the COTP or the COTP's designated representative.

(d) *Enforcement period.* This section will be enforced from 11 p.m. on December 31, 2024, through 12:30 a.m. on January 1, 2025.

Dated: December 3, 2024.

Stacey L. Crecy,

Captain, U.S. Coast Guard, Captain of the Port Los Angeles-Long Beach.
