

on management oversight and 20–25% of their time providing strategic direction. SeaCo states that its only executive officer, the Chief Executive Officer, does not spend his time on activities which involve investing, reinvesting, owning, holding or trading in securities, and its three employees split their time between accountancy, contract management, billing and collections, investor communications and office administration. SeaCo does not, directly or indirectly, employ securities analysts or engage in the trading of securities for speculative or other purposes.

d. *Nature of Assets.* As a holding company, SeaCo asserts that its financial data consolidated with its wholly-owned subsidiaries provides a more accurate picture of its business. SeaCo states that, as of June 30, 2009, its interests in GE SeaCo represented 50% of its total assets, consolidated with its wholly-owned subsidiaries. Of SeaCo's remaining total assets, consolidated with its wholly-owned subsidiaries, SeaCo's owned container fleet represented 26%, amounts receivable from container leasing represented 7%, and other assets consisting mainly of deferred finance charges represented 2%. Treating the interests in GE SeaCo as an operating asset, SeaCo's remaining Investment Securities constituted less than 15% of SeaCo's total assets, consolidated with its wholly-owned subsidiaries.<sup>7</sup>

e. *Sources of Income.* SeaCo states that on an unconsolidated basis it has no or minimal income from its ownership of SC Finance, which receives revenues from SeaCo's other subsidiaries. Applicant states that revenues constitute the primary source of its income. On a consolidated basis with its wholly-owned subsidiaries, SeaCo states that, for the period ending June 30, 2009, its proportionate share of the revenues of GE SeaCo represented 32%, revenues on the owned container fleet managed by GE SeaCo represented 67%, and interest income represented 1%, of its total income.

6. SeaCo thus submits that it qualifies for an order under section 3(b)(2) of the Act.

<sup>7</sup> Of SeaCo's remaining Investment Securities, consolidated with its wholly-owned subsidiaries, restricted cash to service the SeaCo Group's loan facilities represented 10%, cash and cash equivalents for operational purposes represented 2%, securities issued by GE SeaCo America represented 2%, and the amount due from SCL arising out of bankruptcy process represented 1%.
