**Countervailing Duty Investigation of 1-Hydroxyethylidene-1, 1-Diphosphonic Acid From the People's Republic of China: Postponement of Preliminary Determination**

**AGENCY:** Enforcement and Compliance International Trade Administration, Department of Commerce.

**FOR FURTHER INFORMATION CONTACT:** Javier Barrientos, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; Telephone: 202-482-2243.

**SUPPLEMENTARY INFORMATION:****Background**

On April 20, 2016, the Department of Commerce (the "Department") initiated the countervailing duty investigation of 1-Hydroxyethylidene-1, 1-Diphosphonic Acid ("HEDP") from the People's Republic of China ("PRC").<sup>1</sup> Currently, the preliminary determination is due no later than June 24, 2016.

**Postponement of Due Date for the Preliminary Determination**

Section 703(b)(1) of the Tariff Act of 1930, as amended (the "Act"), requires the Department to issue the preliminary determination in a countervailing duty investigation within 65 days after the date on which the Department initiated the investigation. However, section 703(c)(1) of the Act permits the Department to postpone making the preliminary determination until no later than 130 days after the date on which it initiated the investigation if, among other reasons, the petitioner makes a timely request for a postponement, or the Department concludes that the parties concerned are cooperating and determines that the investigation is extraordinarily complicated.

Currently, while the Department has not yet chosen mandatory respondents, we determine that, thus far, the parties concerned are cooperating because each has made an entry of appearance in this investigation.<sup>2</sup> Also, the Department

must analyze four complicated alleged subsidy programs<sup>3</sup> for each respondent, including companies that are cross-owned with each respondent, and likely issue multiple supplemental questionnaires. For all these reasons, the Department finds this investigation to be extraordinarily complicated within the meaning of section 703(c)(1)(B) of the Act, and is hereby fully postponing the preliminary countervailing duty determination by 130 days.<sup>4</sup> Therefore, pursuant to the discretion afforded to the Department under section 703(c)(1)(B) of the Act, we are postponing the due date for the preliminary determination to no later than August 29, 2016.<sup>5</sup>

This notice is issued and published pursuant to section 703(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: June 6, 2016.
