

instruct CBP to apply an antidumping duty assessment rate of 142.72 percent (*i.e.*, the rate for the China-wide entity) to all entries of subject merchandise during the POR which were exported by those companies.

For entries that were not reported in the U.S. sales data submitted by Bestflow during this review, Commerce will instruct CBP to liquidate such entries at the antidumping duty assessment rate for the China-wide entity.<sup>29</sup> Additionally, if Commerce determines in the final results that Xin Yi had no shipments of the subject merchandise, any suspended entries that entered under Xin Yi's case number (*i.e.*, at Xin Yi's cash deposit rate) will be liquidated at the antidumping duty assessment rate for the China-wide entity.

#### Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Act: (1) for companies listed above that have a separate rate, the cash deposit rate will be equal to the weighted-average dumping margin established in the final results of this review (except, if the rate is *de minimis*, then the cash deposit rate will be zero); (2) for previously examined Chinese and non-Chinese exporters not listed above that received a separate rate in the most recently completed segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific cash deposit rate; (3) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the rate for the China-wide entity (*i.e.*, 142.72 percent); and (4) for all non-Chinese exporters of subject merchandise which have not received their own separate rate, the cash deposit rate will be the rate applicable to the Chinese exporter that supplied that non-Chinese exporter. These cash deposit requirements, when imposed, shall remain in effect until further notice.

#### Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate

regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of double antidumping duties, and/or an increase in the amount of antidumping duties by the amount of the countervailing duties.

#### Notification to Interested Parties

This administrative review and notice are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, 19 CFR 351.213, and 19 CFR 351.221(b)(4).

Dated: November 30, 2023.

#### SUPPLEMENTARY INFORMATION:

##### Background

On June 6, 2023, Commerce published its preliminary results in the first administrative review of the antidumping duty order on mattresses from Thailand<sup>1</sup> in the **Federal Register** and invited interested parties to comment.<sup>2</sup> For a summary of the events that occurred since the publication of the *Preliminary Results*, see the Issues and Decision Memorandum.<sup>3</sup> Commerce conducted this administrative review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).

##### Scope of the Order

The merchandise subject to the Order are mattresses from Thailand. The products subject to this Order are currently properly classifiable under

<sup>1</sup> See *Mattresses from Cambodia, Indonesia, Malaysia, Serbia, Thailand, the Republic of Turkey, and the Socialist Republic of Vietnam: Antidumping Duty Orders and Amended Final Affirmative Antidumping Determination for Cambodia*, 86 FR 26460 (May 14, 2021) (Order).

<sup>3</sup> See Memorandum, "Issues and Decision Memorandum for the Final Results of the Antidumping Duty Administrative Review of Mattresses from Thailand; 2020-2022," dated concurrently with, and hereby adopted by, this notice (Issues and Decision Memorandum).

Products subject to this Order may also enter under HTSUS subheadings: 9404.21.0095, 9404.29.1095, 9404.29.9095, 9401.41.0000, 9401.49.0000, and 9401.99.9081. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise subject to this Order is dispositive. For a complete description of the scope of the Order, see the Issues and Decision Memorandum.

### Analysis of Comments Received

All issues raised by the parties in their case and rebuttal briefs, to which we responded in the Issues and Decision Memorandum, are listed in the appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

### Bona Fide Sales Analysis

In the *Preliminary Results*, Commerce found that the sole mandatory respondent Saffron did not have a *bona fide* sale of a mattress during the POR.<sup>4</sup> Based on an analysis of the information on the administrative record, Commerce continues to find that Saffron did not have a *bona fide* sale during the POR. Commerce reached this conclusion based on its consideration of the totality of circumstances, including, but not limited to: (a) the atypical nature of both the price and quantity of the sale; (b) the expenses incurred arising from the transaction; (c) the profitability of the resold subject merchandise; and (d) the likelihood that the sale is atypical due to the business nature of the U.S. customer. Consequently, we are rescinding this administrative review.

### Assessment Rates

Because Commerce is rescinding this administrative review, we have not calculated a dumping margin for Saffron. Saffron's entries will be liquidated at 37.48 percent, the company-specific rate established in the

less than fair value (LTFV) investigation.<sup>5</sup>

### Cash Deposit Requirements

Because we are rescinding this administrative review, Saffron remains subject to the antidumping duty rate for its merchandise entered (*i.e.* 37.48 percent), which is the company-specific rate established in the LTFV investigation.<sup>6</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

### Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties has occurred and the subsequent assessment of double antidumping duties.

### Administrative Protective Order

This notice also serves as a final reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

### Notification to Interested Parties

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(3).

Dated: December 1, 2023.
