

2. Statutory Basis

The basis under the Act for this proposed rule change is the requirement under Section 6(b)(5) of the Act,²¹ which states that a national securities exchange have rules that are designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market, and, in general, to protect investors and the public interest. In addition, the listing and trading criteria set forth in NYSE Arca Equities Rule 8.600 are intended to protect investors and the public interest.

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

The Exchange states that it has neither solicited nor received comments on the proposed rule change.
