

Report and Order (*Order on Reconsideration*) in WT Docket No. 97–82, FCC 00–54, 65 FR 14213 (March 16, 2000). The *Order on Reconsideration* addresses petitions for reconsideration of the *C Block Fourth Report and Order*, 63 FR 50791 (September 23, 1998), in which the Commission modified the rules governing auctions of C block broadband Personal Communications Services (“PCS”) spectrum.

2. In light of the auction schedule for the upcoming PCS C and F block auction (“Auction No. 35”), and the requests of certain commenters that the Commission resolve all issues related to Auction No. 35 in an expedited manner, the Wireless Telecommunications Bureau (“Bureau”) has determined that good cause exists in this instance to alter the periods specified in § 1.429 of the Commission’s rules for oppositions to petitions for reconsideration. Preliminary review of the petition indicates that it raises issues regarding the eligibility of certain parties to participate in Auction No. 35. To provide timely guidance to prospective bidders, we must close the record on reconsideration issues on an expedited schedule. We note also that there are pending petitions for reconsideration on spectrum cap issues. Accordingly, oppositions to petitions for reconsideration of the *Order on Reconsideration* shall be filed no later than April 17, 2000.

3. The petition listed reflects Commission records as of April 4, 2000. Any timely filed petitions subsequently posted on the Electronic Comment Filing System (ECFS), or received in paper form, will be subject to a filing schedule for oppositions similar to that adopted herein. In addition, the record of comments and other documents filed in response to the petitions of Nextel Communications, Inc. and SBC Communications Inc. regarding PCS C and F block rules will be incorporated into this docket. See PCS C and F Block Spectrum Public Notice, 65 FR 8363 (February 18, 2000). See also DA 00–318, released February 18, 2000. Commenters therefore need not restate their positions on C and F block issues in response to this petition for reconsideration.

Procedural Matters

4. Parties submitting oppositions should address the petitions for reconsideration in light of the requirements of 47 U.S.C. 309, 47 CFR 1.429 and any other public interest considerations. All oppositions should reference the docket number of this proceeding, *i.e.*, WT Docket No. 97–82.

5. This proceeding has been designated as a “permit-but-disclose” proceeding in accordance with the Commission’s *ex parte* rules. 47 CFR 1.1200(a), 1.1206. Persons making oral *ex parte* presentations are reminded that memoranda summarizing the presentations must contain summaries of the substance of the presentations and not merely a listing of the subjects discussed. More than a one or two sentence description of the views and arguments presented is generally required. See 47 CFR 1.1206(b). Other rules pertaining to oral and written *ex parte* presentations in permit-but-disclose proceedings are set forth in § 1.1206(b) of the Commission’s rules, 47 CFR 1.1206(b).
