

are no known mineral values in the lands proposed for sale. The BLM proposes that conveyance of the Federal mineral interests would occur simultaneously with the sale of the lands. The PORR will be required to pay a \$50 nonrefundable filing fee for the conveyance of the mineral interests and associated administrative costs.

On October 26, 2010, the above described land was segregated from appropriation under the public land laws, including the mining laws. The original segregation terminated 2 years from the date of segregation. Publication of this Notice in the **Federal Register** segregates the subject lands from all forms of appropriation under the public land laws, including the general mining laws, except sale under the Federal Land Policy and Management Act. The segregation will terminate (i) Upon issuance of a patent or other document of conveyance to such lands, (ii) upon publication in the **Federal Register** of a termination of the segregation, or (iii) at the end of 2 years from the date of this publication in the **Federal Register**, whichever occurs first.

The land will not be sold before September 3, 2013. Any patent issued will contain the following terms, conditions, and reservations:

1. A reservation to the United States for ditches and canals constructed by the authority of the United States under the Act of August 30, 1890 (43 U.S.C. 945);

2. A condition that the conveyance be subject to all valid existing rights of record;

3. To the extent required by law, the sale will be subject to the requirements of Section 120(h) of the Comprehensive Environmental Response, Compensation and Liability Act (42 U.S.C. 9620(h));

4. An appropriate indemnification clause protecting the United States from claims arising out of the lessee's/patentee's use, occupancy or operations on the leased/patented lands; and

5. Additional terms and conditions that the authorized officer deems appropriate. Detailed information concerning the proposed land sale including the appraisal, planning and environmental documents, and a mineral report are available for review at the BLM Shoshone Field Office at the location identified in the **ADDRESSES** section above. Normal business hours are 7:45 a.m. to 4:30 p.m., Monday through Friday, except for Federal holidays.

Public Comments: Public comments regarding the proposed sale may be submitted in writing to the BLM Shoshone Field Manager (see **ADDRESSES** section) on or before August

16, 2013. Any adverse comments regarding the proposed sale will be reviewed by the BLM Idaho State Director or other authorized official of the Department of the Interior, who may sustain, vacate, or modify this realty action in whole or in part. In the absence of timely filed objections, this realty action will become the final determination of the Department of the Interior.

Before including your address, phone number, email address, or other personal identifying information in your comment; you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.
