#### Colorado Interstate Gas Company, L.L.C.; Wyoming Interstate Company, L.L.C.; Notice of Application

Take notice that on August 24, 2015, Colorado Interstate Gas Company, L.L.C. (CIG) and Wyoming Interstate Company, L.L.C. (WIC), jointly filed an application pursuant to section 7(b) of the Natural Gas Act (NGA) and Part 157 of the Commission's Regulations, for approval to abandon, by sale and in place, CIG's Powder River Lateral Pipeline and associated metering facilities located in Converse County and Albany County, Wyoming. Also, the applicants request the Commission's approval the termination of an associated Powder River Lateral capacity lease agreement between CIG and WIC. The filing may also be viewed on the web at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, contact FERC at [FERCOnlineSupport@ferc.gov](mailto:FERCOnlineSupport@ferc.gov) or call toll-free, (866) 208–3676 or TTY, (202) 502–8659.

Any questions regarding this application should be directed to Francisco Tarin, Director, Regulatory Affairs, Colorado Interstate Gas Company, L.L.C., P.O. Box 1087, Colorado Springs, Colorado, 80944, telephone (719) 667–7517, fax (719) 520–4697; or Mark A. Minich, Assistant General Counsel, Colorado Interstate Gas Company, L.L.C., P.O. Box 1087, Colorado Springs, Colorado, 80944, telephone (719) 520–4416, fax (719) 520–4415.

CIG requests the approval of an abandonment buy sale to Copano Pipelines/Rocky Mountain LLC (CP/RM)

of its approximate 100-mile Powder River Lateral Pipeline (Line No. 72A) located in Converse County and Albany County, Wyoming. CIG also proposes to abandon in place of its Powder River Meter Station, North Platte Meter Station, Glenrock Meter Station, and a farm tap located on Line No. 72A. In addition, CIG and WIC request an approval the termination of the CIG/WIC capacity lease agreement currently in effect for capacity on Line No. 72A and through WIC's Laramie Jumper Compressor Station.

Pursuant to Section 157.9 of the Commission's rules, 18 CFR 157.9, within 90 days of this Notice the Commission staff will either: complete its environmental assessment (EA) and place it into the Commission's public record (eLibrary) for this proceeding, or issue a Notice of Schedule for Environmental Review. If a Notice of Schedule for Environmental Review is issued, it will indicate, among other milestones, the anticipated date for the Commission staff's issuance of the final environmental impact statement (FEIS) or EA for this proposal. The filing of the EA in the Commission's public record for this proceeding or the issuance of a Notice of Schedule will serve to notify federal and state agencies of the timing for the completion of all necessary reviews, and the subsequent need to complete all federal authorizations within 90 days of the date of issuance of the Commission staff's FEIS or EA.

There are two ways to become involved in the Commission's review of this project. First, any person wishing to obtain legal status by becoming a party to the proceedings for this project should, on or before the comment date stated below, file with the Federal Energy Regulatory Commission, 888 First Street NE., Washington, DC 20426, a motion to intervene in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the NGA (18 CFR 157.10). A person obtaining party status will be placed on the service list maintained by the Secretary of the Commission and will receive copies of all documents filed by the applicant and by all other parties. A party must submit 5 copies of filings made with the Commission and must mail a copy to the applicant and to every other party in the proceeding. Only parties to the proceeding can ask for court review of Commission orders in the proceeding.

However, a person does not have to intervene in order to have comments considered. The second way to participate is by filing with the Secretary of the Commission, as soon as
