INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 731-TA-1550-1553 (Preliminary)]

Polyester Textured Yarn From Indonesia, Malaysia, Thailand, and Vietnam; Determinations

On the basis of the record¹ developed in the subject investigations, the United States International Trade Commission ("Commission") determines, pursuant to the Tariff Act of 1930 ("the Act"), that there is a reasonable indication that an industry in the United States is materially injured by reason of imports of polyester textured yarn from Indonesia, Malaysia, Thailand, and Vietnam, provided for in subheadings 5402.33.30 and 5402.33.60 of the Harmonized Tariff Schedule of the United States, that are alleged to be sold in the United States at less than fair value ("LTFV").²

Commencement of Final Phase Investigation

Pursuant to section 207.18 of the Commission's rules, the Commission also gives notice of the commencement

of the final phase of its investigations. The Commission will issue a final phase notice of scheduling, which will be published in the **Federal Register** as provided in section 207.21 of the Commission's rules, upon notice from the U.S. Department of Commerce ("Commerce") of affirmative preliminary determinations in the investigations under § 733(b) of the Act, or, if the preliminary determinations are negative, upon notice of affirmative final determinations in those investigations under § 735(a) of the Act. Parties that filed entries of appearance in the preliminary phase of the investigations need not enter a separate appearance for the final phase of the investigations. Industrial users, and, if the merchandise under investigation is sold at the retail level, representative consumer organizations have the right to appear as parties in Commission antidumping investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

Background

On October 28, 2020, Nan Ya Plastics Corp. America, Lake City, South Carolina and Unifi Manufacturing, Inc., Greensboro, North Carolina filed a petition with the Commission and Commerce, alleging that an industry in the United States is materially injured or threatened with material injury by reason of LTFV imports of polyester textured yarn from Indonesia, Malaysia, Thailand, and Vietnam. Accordingly, effective October 28, 2020, the Commission instituted antidumping duty investigation Nos. 731-TA-1550-1553 (Preliminary).

Notice of the institution of the Commission's investigations and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office

of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of November 3, 2020 (85 FR 69643). In light of the restrictions on access to the Commission building due to the COVID-19 pandemic, the Commission conducted its conference through written testimony and video conference. All persons who requested the opportunity were permitted to participate.

The Commission made these determinations pursuant to § 733(a) of the Act (19 U.S.C. 1673b(a)). It completed and filed its determinations in these investigations on December 14, 2020. The views of the Commission are contained in USITC Publication 5148 (December 2020), entitled *Polyester Textured Yarn from Indonesia, Malaysia, Thailand, and Vietnam: Investigation Nos. 731-TA-1550-1553 (Preliminary)*.

By order of the Commission.
Issued: December 14, 2020.

Lisa Barton,

Secretary to the Commission.
