DEPARTMENT OF EDUCATION

[CFDA Number: 84.133B-1]

Applications for New Awards; Rehabilitation Research and Training Center—Interventions To Promote Community Living Among Individuals With Disabilities; Correction

AGENCY: Office of Special Education and Rehabilitative Services, Department of Education.

ACTION: Notice; correction.

SUMMARY: On June 27, 2011, we published in the **Federal Register** (76 FR 37336-37341) a notice inviting applications for a new award for the Rehabilitation Research and Training Center (RRTC)—Interventions to Promote Community Living Among Individuals with Disabilities fiscal year (FY) 2011 competition. That notice incorrectly listed \$700,000 as the amount of estimated available funds in the *Estimated Available Funds* section and \$700,000 as the maximum proposed budget amount in the *Maximum Award* section. The correct amount of funds for estimated available funds and the maximum proposed budget is \$850,000.

SUPPLEMENTARY INFORMATION: The Department of Education corrects the amount of funds listed under the headings *Estimated Available Funds* and *Maximum Award*. Specifically, we make the following corrections:

In column 1, on page 37337, we correct the *Estimated Available Funds* section to read: “*Estimated Available Funds*: \$850,000.

In column 2, on page 37337, we correct the *Maximum Award* sections to read: “*Maximum Award*: We will reject any application that proposes a budget exceeding \$850,000 for a single budget period of 12 months. The Assistant Secretary for Special Education and Rehabilitative Services may change the maximum amount through a notice published in the **Federal Register**.”

Any person desiring to intervene or to protest in any of the above proceedings must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214) on or before 5 p.m. Eastern time on the specified comment date. It is not necessary to separately intervene again in a subdocket related to a compliance filing if you have previously intervened in the same docket. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Anyone filing a motion to intervene or protest must serve a copy of that document on the Applicant. In reference to filings initiating a new proceeding, interventions or protests submitted on or before the comment deadline need not be served on persons other than the Applicant.

As it relates to any qualifying facility filings, the notices of self-certification [or self-recertification] listed above, do not institute a proceeding regarding qualifying facility status. A notice of self-certification [or self-recertification] simply provides notification that the entity making the filing has determined the facility named in the notice meets the applicable criteria to be a qualifying facility. Intervention and/or protest do not lie in dockets that are qualifying facility self-certifications or self-recertifications. Any person seeking to challenge such qualifying facility status may do so by filing a motion pursuant to 18 CFR 292.207(d)(iii). Intervention and protests may be filed in response to notices of qualifying facility dockets other than self-certifications and self-recertifications.

The Commission encourages electronic submission of protests and interventions in lieu of paper, using the FERC Online links at <http://www.ferc.gov>. To facilitate electronic service, persons with Internet access who will eFile a document and/or be listed as a contact for an intervenor must create and validate an eRegistration account using the eRegistration link. Select the eFiling link to log on and submit the intervention or protests.

Persons unable to file electronically should submit an original and 14 copies of the intervention or protest to the Federal Energy Regulatory Commission, 888 First St., NE., Washington, DC 20426.

The filings in the above proceedings are accessible in the Commission's eLibrary system by clicking on the appropriate link in the above list. They are also available for review in the Commission's Public Reference Room in Washington, DC. There is an eSubscription link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s).
