Presenters and Panelists: FDA is interested in gathering scientific and technical information from individuals with a broad range of perspectives on the topics to be discussed at the public meeting. Presenters and panelists will discuss their scientific and/or technical knowledge on the questions and presentations in each session. Presenters and panelists will be responsible for their own travel arrangements.

To be considered to serve as a presenter and/or panelist, please provide the following:

- **Presenters:** A brief abstract for each presentation. The abstract should identify the specific topic(s) to be addressed and the amount of time requested.

- **Presenters and panelists:** A one-page biosketch that describes and supports your scientific or technical expertise on the specific topic(s) being presented, nature of your experience and research in the scientific field, positions held, and any program development activities.

If you are interested in serving as a presenter or a panelist, you must submit the above information, along with the topic(s) on which you would like to speak, to Jessica.Berrellez@fda.hhs.gov by January 28, 2020.

We will do our best to accommodate requests to make presentations and serve on the panel. Individuals and organizations with common interests are urged to consolidate or coordinate their presentations, and request time for a joint presentation. Following the close of registration, we will determine the amount of time allotted to each presenter and the approximate time each oral presentation is to begin, and will select and notify presenters and panelists by March 6, 2020. If selected for presentation, any presentation materials must be emailed to

Jessica.Berrellez@fda.hhs.gov no later than 11:59 p.m. Eastern Time on March 20, 2020. No commercial or promotional material will be permitted to be presented or distributed at the public meeting.
