Food and Nutrition Service

Title: WIC Farmers' Market Nutrition Program (FMNP) Forms and Regulations.

OMB Control Number: 0584–0447.

Summary of Collection: The Farmers' Market Nutrition Program (FMNP) is associated with the Special Supplemental Nutrition Program for Women, Infants, and Children (WIC) and was established by Congress in 1992. The FMNP is authorized by Section 17(m) of the Child Nutrition Act of 1966 (42 U.S.C. 1786(m)), as

amended. The FMNP was established to provide fresh, nutritious, unprepared locally grown fruits and vegetables from farmers' markets and roadside stands to WIC participants; to expand the awareness and use of farmers' markets; and to increase sales at such markets. Women, infants (over 4 months old) and children that have been certified to receive WIC Program benefits or who are on a waiting list for WIC certification are eligible to participate in the WIC FMNP. The Food and Nutrition Service (FNS) will collect information from each state that receives a grant under the FMNP program in conjunction with the preparation of annual financial and recipient reports.

Need and Use of the Information: The respondents to this information collection are FMNP State and local agencies (including Indian Tribal Organizations, District of Columbia, and Territories), participants, local agencies that are for-profit or non-profit businesses, and FMNP authorized outlets (farmers, farmers' markets, and roadside stands). The State and local agencies collect and maintain information related to program operation and administration, while the participants and FMNP authorized outlets provide the eligibility information needed to participate in the program. Some of the information requirements in this collection are mandatory, while others are required to obtain or retain a benefit. FNS uses the information to assess how each FMNP State agency operates; to ensure the accountability of State agencies, local agencies, and farmers/farmers' markets/roadside stands; to make program management decisions; and to report to Congress as needed.

Description of Respondents: State, Local, or Tribal Government; Individuals or Households; Business or other-for-profit; Not-for-profit institutions; and Farms.

Number of Respondents: 1,581,402.

Frequency of Responses: Recordkeeping; Reporting: Annually; Semi-annually; Quarterly; and Other (every one to three years).

Total Burden Hours: 1,640,907.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) determines that Navneet Education Ltd. (Navneet) and Super Impex did not make sales of certain lined paper products from India at prices below normal value during the period of review (POR) September 1, 2018, through August 28, 2019. In addition, Commerce determines that Marisa International had no shipments during the POR.

DATES: Applicable May 25, 2021.

SUPPLEMENTARY INFORMATION:

Background

On January 19, 2021, Commerce published the *Preliminary Results*.¹ On April 24, 2020, Commerce tolled all deadlines in administrative reviews by 50 days.² On July 21, 2020, Commerce tolled all deadlines in administrative reviews by an additional 60 days.³ The deadline for the final results of this review is now May 19, 2021. Scope of the Order

The products covered by this *Order* are certain lined paper products from India. For a full description of the scope, see the Issues and Decision Memorandum.

Final Determination of No Shipments

In the *Preliminary Results*, we preliminarily found that Marisa International had no shipments of subject merchandise during the POR. Following the publication of the *Preliminary Results*, we received no comments from interested parties regarding Marisa International, nor has any party submitted record evidence which would call our preliminary determination of no shipments into question. Therefore, for the final results, we continue to find that Marisa International had no shipments of subject merchandise during the POR. Accordingly, consistent with Commerce's practice, we intend to instruct U.S. Customs and Border Protection (CBP) to liquidate any existing entries of merchandise produced by Marisa International, but exported by other parties, at the rate for the intermediate reseller, if available, or at the all-others rate.⁵

Regarding Lodha Offset Limited (Lodha), we received information from CBP indicating possible shipments from Lodha.⁶ Lodha did not comment on the Entry Summary Memorandum. Therefore, for the final results, we continue to find that Lodha had shipments of subject merchandise during the POR. Accordingly, we are including Lodha among the group of companies that are subject to the non-selected rate.
