Commission Seeks Comment on AT&T Request To Contribute to Universal Service Based on Projected Revenues

AGENCY: Federal Communications Commission.

ACTION: Notice; solicitation of comments.

SUMMARY: This document seeks comments on AT&T request to the Commission to permit it to contribute based on its projected revenues for the current quarter, subject to true up with actual revenues, instead of contributing to universal service based on historical revenues from two quarters prior.

DATES: Comments are due on or before April 12, 2002. Reply comments are due on or before April 22, 2002.

ADDRESSES: See Supplementary Information section for where and how to file comments.

FOR FURTHER INFORMATION CONTACT: Paul Garnett, Attorney, Accounting Policy Division, Common Carrier Bureau, (202) 418-7400, TTY: (202) 418-0484.

SUPPLEMENTARY INFORMATION: On December 13, 2001, AT&T filed a request with the Commission to contribute to universal service based on its projected revenues on a going-forward basis. Pursuant to § 54.711(c) of the Commission's rules, universal service contributions are based on a contributors' historical gross-billed end-user interstate and international telecommunications revenues, which are reported on a quarterly basis on the FCC Form 499-Q. The FCC Form 499-Q instructs contributors to report their revenues from the prior calendar quarter. These revenue data then serve as the basis for contributions assessed in the next calendar quarter. AT&T asks the Commission to permit it to contribute based on its projected revenues for the current quarter, subject to true up with actual revenues, instead of contributing to universal service based on historical revenues from two

quarters prior. AT&T contends that grant of its request is warranted because the interval between reporting and assessment of contributions under the current rules, combined with AT&T's declining interstate and international revenues, force it to recover its universal service contributions from a smaller customer base than the one on which it was assessed. We seek comment on AT&T's request.

Pursuant to §§ 1.415 and 1.419 of the Commission's rules, interested parties may file comments on or before April 12, 2002, and reply comments are due on or before April 22, 2002.
