SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request Copies Available From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Rule 12h-1(f); OMB Control No. 3235-0632, SEC File No. 270-570.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget this request for extension of the previously approved collection of information discussed below.

Rule 12h-1(f) (17 CFR 240.12h-1(f)) under the Securities Exchange Act of 1934 (“Exchange Act”) provides an exemption from the Exchange Act Section 12(g) registration requirements

for compensatory employee stock options of issuers that are not required to file periodic reports under the Exchange Act and that have 500 or more option holders and more than \$10 million in assets as of its most recently ended fiscal year. The information required under Exchange Act Rule 12h-1 is not filed with the Commission. Exchange Act Rule 12h-1(f) permits issuers to provide the required information to the option holders either by: (i) Physical or electronic delivery of the information; or (ii) written notice to the option holders of the availability of the information on a password-protected Internet site. We estimate that it takes approximately 2 burden hours per response to prepare and provide the information required under Rule 12h-1(f) and it is prepared and provided by approximately 40 respondents. We estimate that 25% of the 2 hours per response (0.5 hours) is prepared by the company for a total annual reporting burden of 20 hours (0.5 hours per response × 40 responses).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

The public may view the background documentation for this information collection at the following Web site, www.reginfo.gov. Comments should be directed to: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503, or by sending an email to: Shagufta_Ahmed@omb.eop.gov; and (ii) Thomas Bayer, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 100 F Street NE., Washington, DC 20549 or send an email to: PRA_Mailbox@sec.gov. SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request Copies Available From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Form 15F; OMB Control No. 3235-0621, SEC File No. 270-559.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget the request for extension of the previously approved collection of information discussed below.

Form 15F (17 CFR 249.324) is filed by a foreign private issuer when terminating its Exchange Act reporting obligations pursuant to Exchange Act Rule 12h-6 (17 CFR 240.12h-6). Form 15F requires a foreign private issuer to disclosed information that helps investors understand the foreign private issuer's decision to terminate its Exchange Act reporting obligations and assist Commission staff in determining whether the filer is eligible to terminate its Exchange Act reporting obligations pursuant to Rule 12h-6. Rule 12h-6 provides a process for a foreign private issuer to exit the Exchange Act registration and reporting regime when there is relatively little U.S. investor interest in its securities. Rule 12h-6 is intended to remove a disincentive for foreign private issuers to register their securities with the Commission by lessening concerns that the Exchange Act registration and reporting system would be difficult to exit once an issuer enters it. The information provided to the Commission is mandatory and all information is made available to the public upon request. We estimate that Form 15F takes approximately 30 hours to prepare and is filed by approximately 100 issuers. We estimate that 25% of the 30 hours per response (7.5 hours per response) is prepared by the filer for a total annual reporting burden of 750 hours (7.5 hours per response × 100 responses).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

The public may view the background documentation for this information collection at the following Web site, www.reginfo.gov. Comments should be directed to: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503, or by sending an email to: Shagufta_Ahmed@omb.eop.gov; and (ii) Thomas Bayer, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon,

100 F Street NE., Washington, DC 20549 or send an email to: PRA_Mailbox@sec.gov. Comments must be submitted to OMB within 30 days of this notice.

Dated: October 17, 2013.

Deputy Secretary.
