#### V. Accelerated Approval of Proposed Rule Change, as Modified by Amendment No. 1

The Commission finds good cause to approve the proposed rule change, as modified by Amendment No. 1, prior to the thirtieth day after the date of publication of the notice of Amendment No. 1 in the **Federal Register**. As discussed more fully above, Amendment No. 1 revises MRX Options 3, Sections 7, 11, 12, and 13 to indicate that certain order types requiring stock-tied functionality will be implemented at a later date as part of the Exchange's technology migration. In addition, Amendment No. 1 corrects an error in the text of the proposed rules, replaces references to SR-MRX-2022-5P with references to SR-MRX-2022-16, and adds references to the "internal BBO" to the proposed Complex Preferred Order rules and to the Qualified Contingent Cross Order and Complex Qualified Contingent Cross Order rules. The Commission believes that Amendment No. 1 raises no novel regulatory issues. Amending MRX's rules to note the delayed implementation of certain order types will help to provide members with notice regarding the order types that will not be available immediately following MRX's migration to its new trading platform. Adding references to the internal BBO to the Qualified Contingent Cross Order and Complex Qualified Contingent Cross Order rules will help to effectively maintain the existing pricing requirements currently applicable to the option leg(s) of those orders, and adding a reference to the internal BBO to the Complex Preferred Order rules will provide consistency with MRX's single-leg Preferred Order rules. The correction in the proposed rule text will help to ensure the accuracy of the Exchange's rules and the addition of references to SR-MRX-2022-16 will help to ensure the completeness and accuracy of the proposal. Accordingly, the Commission finds good cause for approving the proposed rule change, as modified by Amendment No. 1, on an accelerated basis.

#### VI. Conclusion

*It is therefore ordered*, pursuant to Section 19(b)(2) of the Act,<sup>132</sup> that the proposed rule change (SR-MRX-2022-10), as modified by Amendment No. 1, is approved on an accelerated basis.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.<sup>133</sup>
