SUPPLEMENTARY INFORMATION: The REA directs the Secretary of the Interior to publish a 6-month advance notice in the **Federal Register** whenever new recreation fee areas are established. A RAC must review a new fee prior to a final decision to implement fee collection.

The BLM is proposing to establish recreation fees for standard and

expanded amenities at the Aquila Vista, Cedar Grove, and Three Bears Recreation Sites. These sites are located in the Molalla River-Table Rock Special Recreation Management Area, approximately 12 miles southeast of the city of Molalla, Oregon. The Molalla River-Table Rock Recreation Area Management Plan (2011) identified these recreation sites to be developed in order to address high levels of recreational use and minimize impacts to the riparian area outside of these recreation sites. The BLM determined that developing these sites could help by concentrate visitation and allow for potential fee revenue to offset management expenses. The Molalla River Corridor Business Plan used a market analysis to determine standard and expanded amenity fees at these recreation sites.

The BLM is also proposing to establish recreation fees for standard amenities at the Marmot and Sandy Ridge Recreation Sites. These sites are included within the larger Sandy River Basin Integrated Management Plan, which guides their development. The market analysis in the Sandy River Basin Business Plan determined standard amenity fees at these recreation sites. The amenities furnished at both Sandy Ridge and Marmot Recreation Sites provide significant opportunities for outdoor recreation.

The table shows proposed fees and associated site amenities:

expenditures. The plans also provide the basis for the fees by outlining a comparative market analysis of public recreation sites.

These recreation sites would become new fee sites with the previously

mentioned fees, pending the review and recommendation for approval by the Northwest Oregon RAC. The BLM would begin charging fees no sooner than 6 months after publishing this notice in the **Federal Register** and after
