Alternatives

In developing the DEIS, the options of "no action" and "alternative sites" for the proposed facility will be fully and thoroughly examined.

Scoping Process

Informal discussions and meetings with local officials and economic development staff have already been held on the proposed project, and during the preparation of the DEIS, there will be other opportunities for public involvement. There will be two public scoping meetings held and the first one will begin at 7 p.m. on Wednesday December 13, 2000, at the Woodard Junior High School in Yuma, Arizona. The second will be held on Thursday December 14, 2000, at 7 p.m. at the Craycroft Elementary School in Tucson, Arizona. The meetings have been well publicized and are scheduled at a time that will make it possible for the public and interested agencies or organizations to attend.

Public notice will be given concerning the availability of the DEIS for public review and comment.
